

\$2,275 DAMAGE BILL FROM TWO AUTO CRASHES

State police were called at 7 o'clock Monday evening to two one-car accidents occurring six miles apart, one north of Gettysburg and the other south of the town.

Frances Emlet, 20, Bendersville, suffered a possible fractured left shoulder and was admitted as a patient in the Warner Hospital following an accident two miles north of here on the Biglerville Rd.

State police said Miss Emlet was traveling south and was in the act of passing another south-bound car when her auto went off the left side of the road and struck a mailbox and gas meter at the property of Leroy J. Fleming.

Miss Emlet and Fred E. Myers, Carlisle, were removed to the hospital in the Gettysburg ambulance. The police did not list Myers as injured in the accident.

At the same time, according to the police report, John C. Holoka, 16, Gettysburg R. 1, driving north on the Emmitsburg Rd., four miles south of here, lost control of his car and it left the highway, striking and breaking off a utility pole. Damage was estimated at \$1,600 to the Holoka car and \$25 to the pole.

Damage in the other accident was estimated at \$500 to the Emlet car and \$50 to the Fleming property.

LIONS SELLING TICKETS FOR "ABE LINCOLN"

The board of the directors of the Gettysburg Lions Club at a meeting following the weekly club session Monday evening voted to sell tickets for "Young Abe Lincoln" usable any day from next Tuesday, August 1, through Sunday, August 6.

The club will receive a commission on each ticket sold and the proceeds will go into the club's Charity Fund.

The club's support for the musical show being given here was asked by its general manager, Robert Cheryn. He called "Young Abe Lincoln" which has played here for the last four weeks, "one of the best shows I've ever seen anywhere, on Broadway or anywhere else."

He said that only local backing and support for the show can keep it running through August. He said its success or lack of it here is being watched as an indication of how a Gettysburg pageant might fare in the future.

ANOTHER PROJECT

Kenneth Dietz, Selinsgrove, explained to the club a proposal to have the Lions sponsor a public demonstration meeting for a Dale Carnegie course in Gettysburg. The club voted to sponsor the meeting at the meeting of the board of directors after the club session Wednesday, September 6, was set as the date for the demonstration meeting. Details of the club's participation in the project will be described to the Lions at their meeting August 28.

The directors also decided upon the Recreation Park as the site for the family picnic to be held by the Lions on August 14.

Roland Kime presented at annual report for the club's auditors. The audit was made by Kime and John Caldwell.

STOCKS QUIET

NEW YORK (AP)—Steels, oils and some chemicals helped give the stock market a slightly higher tone in quiet trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .10 at 242.10 with industrials off .10, rails up .10 and utilities up .20.

Gains of fractions to a point or so outnumbered losses among pivotal issues. Most gains were narrow.

It was the fifth straight session of extreme caution prior to President Kennedy's messages on the Communist threat.

SELL PROPERTY

Willis H. and Sally B. Zimmerer, Gettysburg R. 3, have sold an improved property in Franklin Twp., to John G. and Dorothy Forbes Yoder and daughter, Carol Forbes Yoder, of New Kensington, Pa. The Zimmerers have been transferred to Glen Rock, York County. Immediate possession will be given. The sale was made by West's, John C. Bream, agent.

BULLETIN

MIAMI, Fla. (AP)—Cuban Prime Minister Fidel Castro has authorized a special flight to bring home the passengers of a hijacked Eastern Air Lines plane, Pan American World Airways announced today.

A spokesman for Pan American said a DC7B and a crew were standing by, awaiting a go-ahead from Eastern. The special plane could take off for Havana at 2 p.m. (EST) and return to Miami at 4 p.m. the spokesman said, if all went well.

2 COUNTIANS ARE FINED IN YORK COURT

Three defendants entered guilty pleas in criminal court in York Monday to charges of bookmaking and conspiracy dating back to 1957.

Pleading guilty to bookmaking and conspiracy charges brought by state police in August of 1957 were John W. Young Jr., East Berlin; Amelia A. Livelsberger, East Berlin, and George F. Ginter, Hanover.

Young was fined \$500 and the Livelsberger woman \$200, while sentencing of Ginter was postponed until next Monday.

CHARGED HERE TOO

After a letter from a Hanover physician was read in court stating that imprisonment would endanger the ailing Young's life, Judge George W. Atkins accused the defendant of hiding behind his health for some time and warned that, if he appeared before him again on similar charges, he would get the jail sentence regardless of the state of his health.

The Livelsberger woman was described by counsel as only a messenger and not a principal, and the judge said he would not send her to jail this time because he did not jail Young. He noted that both are slated to plead to similar charges in Adams County court.

Items confiscated in the book-making cases were ordered turned over to the sheriff for sale or destruction, while \$470 in cash will go into the county treasury.

Ask Dismissal Of Assumpsit Action

The Gettysburg Furniture Companies ask the county court to dismiss the action in assumpsit brought against Reaser Furniture Co. by Lena M. Zenk, according to an "answer" filed in the assumpsit action by Attorney John A. MacPhail.

Mrs. Zenk is seeking to secure insurance funds which she claims are due her as a result of the death of her husband, Curvin A. Zenk, who she claimed was employed by Reaser Furniture Co. at the time of his death. The answer claims that Zenk's employment by Reaser terminated February 14, 1957, some time prior to the death.

With Countians In Armed Forces

Mrs. Charles Dillon and son, Jeffrey, N. Stratton St., and Mr. and Mrs. John Sanders and children, Robert, Henry and Anna Lee, Fairfield R. 1, visited Sunday with Mrs. Dillon's son, Pvt. Larry Dillon, Fort Dix, N. J., who now receives his mail as follows: RA13729672, H Company, 3rd Training Regiment, Fort Dix, N. J.

Plane Hijacked And Forced To Fly To Havana With Crew Of Five And 33 Passengers

By JOSE MARIA ORLANDO
HAVANA (AP)—The Swiss Embassy sought today to arrange the return to Miami of passengers and crew of a hijacked U.S. airliner, but its efforts were hampered by the anniversary celebration of Fidel Castro's revolution.

A spokesman said the embassy hoped to get the Americans aboard a Pan American flight to Miami today but so far hadn't been able to get the necessary permission because all government agencies were closed until Friday for the anniversary celebration.

The Eastern Air Lines prop-jet Electra was on a flight from Miami to Tampa, New Orleans and Dallas with 33 passengers and a crew of five Monday when an unidentified passenger pulled a gun and forced the pilot to fly to Havana.

WANTS CUBAN PLANES

Prime Minister Castro was said to have no objections to returning the passengers and crew as

STEEL TOWER AT ZEIGLER'S GROVE RAZED

The Zeigler's Grove observation tower is no more.

The 68-foot metal structure, placed in 1893, which has provided hundreds of thousands of visitors to the battlefield with a "bird's eye" view of the Pickett's Charge area over the years, has been torn down. Now it is being replaced by a concrete ramp structure to an observation deck at the new Visitor's Center being constructed at the grove.

National Park Superintendent James B. Myers said the new observation deck will be available for public use in about three weeks, as soon as guard rails can be placed.

RAMP IS EASIER

He added that it is believed the new observation deck will provide more visitors than ever with an "excellent view of the Pickett's Charge area." Because of the stairway to the tower many persons could not climb it and thus were deprived of the view. The new "deck," atop Cemetery Ridge will be much easier for the visitor to ascend. Even persons in wheel chairs can be taken to the new "deck," Myers pointed out.

The steel observation tower was removed by Glenn Crouse of Littlestown who received the metal as part payment for the job. Myers said the metal, despite continued painting over the years, suffered from rust and "is usable only for scrap metal."

The tower not only provided a remarkable view of the battlefield for visitors over the years, but also was a favorite of returning veterans of the battle, who during the 1890's made annual pilgrimages here.

4 TOWERS REMAIN

At the time the tower went up the battlefield was a scene of rapidly expanding activity. Almost monthly new monuments were being dedicated. During 1893-94 nine miles of new battlefield avenue were constructed. The Gettysburg trolley was established in 1893 after much litigation brought about by those who held it would be a desecration to the field. Also afoot at the time were plans to transfer the battlefield from the Gettysburg Memorial Association to the federal government.

One of the claims to fame for the vanished Zeigler's Grove tower was that President Harding used it to watch the reenactment of Pickett's Charge by the U. S. Marines in 1923. Many other notables also had climbed to its observation platform on "field visits."

Four of the steel towers remain in use on the field. One is on Oak Ridge, one on Culp's Hill, one on W. Confederate Ave. and the other on Big Round Top.

BROTHERS ARE FINED

Leroy Ott, Ottanna, and his brother, Charles Ott, Waynesboro, were arrested in Waynesboro early Sunday morning on drunk and disorderly conduct charges after causing a disturbance in front of the Dutch Kitchen. Arraigned before Justice of the Peace J. Edgar Oiler each paid \$10 fine and \$9 costs.

FACE CODE CHARGES

Justice of the Peace Robert P. Snyder has sent 10-day notices to Jack Hamsher, Chambersburg, on an information filed by borough police charging failing to operate on the left side of the highway, and to Neil W. Waters, Williamsport, on an information filed by borough police charging a red blinker light violation.

YOUTH JAILED

Mark Lawyer, 20, Hanover, was placed in the county jail Monday afternoon. According to the jail records, he is charged with malicious mischief and assault and battery before Justice of the Peace Elizabeth Zinn, Hanover R. 5, by New Oxford Policeman H. S. Bentzel.

CHARGES WITHDRAWN

Ogden Schultz, Brecklenridge St., withdrew charges of drunkenness and disorderly conduct against Paul Bowling, rear of 137 Brecklenridge St., at a hearing before Justice of the Peace Anna E. Thompson Monday afternoon. The defendant paid the costs.

CLAIMS FRANCE VIOLATES U.N. ORDER TO STOP WAR IN TUNIS

By RODNEY ANGOVE
TUNIS (AP)—Tunisian President Habib Bourguiba accused France today of violating the U.N. Security Council's Bizerte ceasefire order by refusing to withdraw to their prebattle positions and by extending their hold on Tunisian territory.

Bourguiba warned at a news conference that fighting may break out again. He said he had told nations that had offered volunteers to help Tunisia that he needed trained guerrilla fighters, planes based in Tunisia or other countries, arms and mobile anti-aircraft batteries.

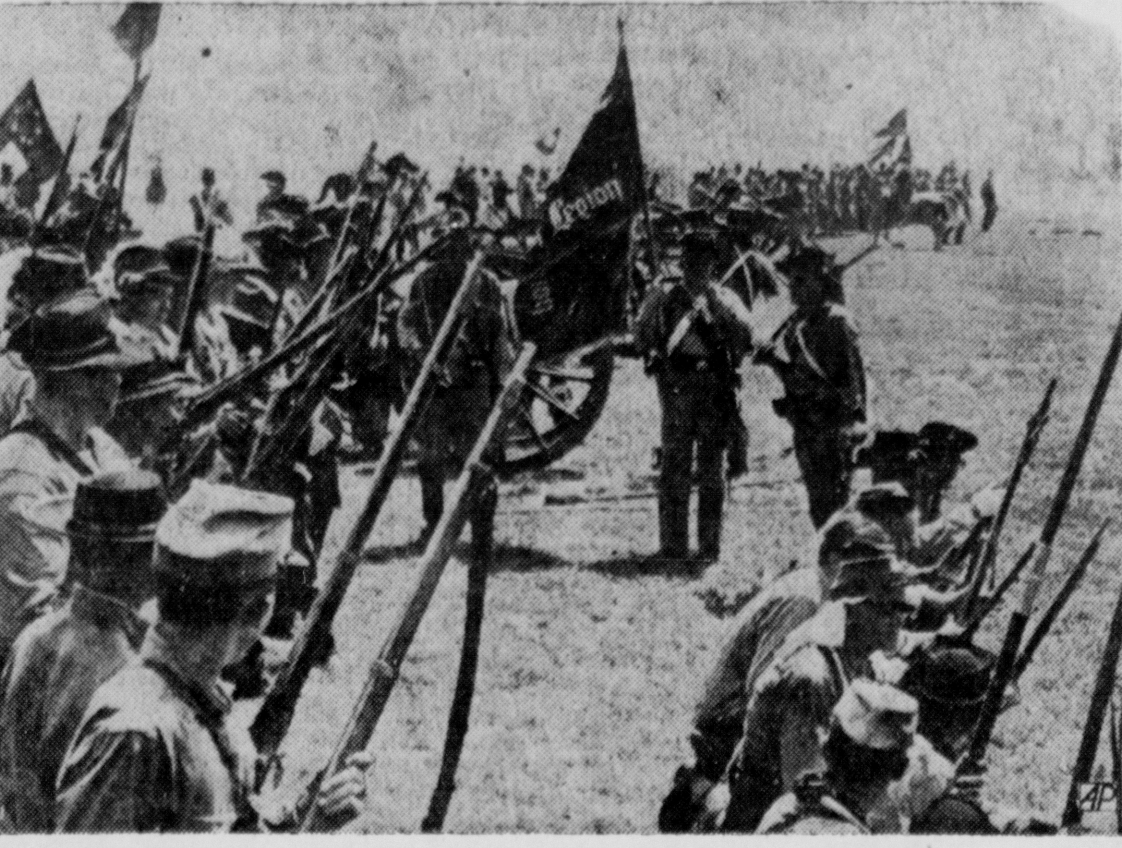

Bourguiba did not accuse the French of renewing the attack. But he said if they did not withdraw from Bizerte city into the naval base enclave, "fighting is bound to start again."

"WE ARE PREPARED"

"We have decided to resist until the end and we are prepared for new hostilities," the president declared.

Civil War Battle Reenacted

The Hampton Legion, foreground, of Charleston, S. C., and the 33rd Virginia Regiment, background, prepare to advance against a Union battery near the Henry House in Manassas, Va., in re-enactment of the first Battle of Manassas. The Virginians, in the battle 100 years ago, overran the Federal guns. (AP Wirephoto)

YOUNGSTERS OFFERED FREE TRIP TO RODEO

Gettysburg area youngsters will have an opportunity to attend the annual Pennsylvania State Police Rodeo at Hershey next Monday, free of charge, as a result of arrangements made by five local organizations and Chief of Police Jack Barlett.

Barlett said today that the Gettysburg Veterans of Foreign Wars, Moose, Elks, Rotary and Optimists have agreed to pay the cost of the seven buses being secured to carry the youngsters to Hershey.

He said the buses will be at the high school parking lot at 11:30 o'clock Monday morning to load the children for the free trip. All children of school age, from First Grade through high school, are invited to make the trip, the chief of police said.

The buses will leave for Hershey "no later than 12 noon" and will return about 6 o'clock that evening.

Barlett said arrangements are being made to have a number of adults on the buses to supervise the activities of the youngsters. The Pennsylvania State Police will provide free admission to the rodeo for all of the children.

Arrangements were being completed today for youngsters to register for the trip.

EXPERTS EYE CONTENT FOR NEW COURSES

William Gonbar of the Pennsylvania Department of Public Instruction is chairman of a committee of social studies specialists who Monday began the "Gettysburg Conference" as part of a three-year curriculum study throughout the state to update curriculum offerings in commonwealth schools.

The conference is on a two-session-a-day basis in the Music Hall at Gettysburg College. It will continue through the remainder of the week. Consulting with Gonbar are a dozen social studies specialists from the surrounding area including college and secondary school representatives.

The conferees here are concerned with penetrating new areas in international relations for the state mandated "World Cultures" course now required of all high school students for graduation. Established in 1958, the requirement became effective in June, 1961. State students are now required to take courses in Pennsylvania history, U. S. history and world cultures.

CONSTRUCT SYLLABI

The purpose of the meeting is to structure units of study for teachers so that in September they will have a syllabus on which to build the course. An earlier conference, "The Scranton Conference" studied two-USSR and Latin America—of the five priority areas for the world cultures course. The conference here is considering the other three areas—Africa, India and China. The group is discussing in exploratory fashion general and specific aims for the syllabi in each area, filling in course content for teachers and preparing a bibliography for teacher and student.

The five priority areas will be covered in course offerings in September by state social studies

11 Properties Are Sold For \$74,700

Mr. and Mrs. Nathan T. Washburn, Park St., sold two properties in Gettysburg for \$25,000 to the Methodist Episcopal Church of Gettysburg. The properties are located on Park St., Long Lane and Sunset Ave. The church in turn sold a property on Highland Ave. and Queen St. for \$16,000 to Mr. and Mrs. Carey A. Moore, of Gettysburg.

Mr. and Mrs. Robert H. Olmstead Jr., Hampden, Mass., sold a property in Butler Twp. for \$23,000 to Mr. and Mrs. Clyde P. Orner Sr., Bendersville.

Stuart M. Drum, Indianapolis, Ind., sold six properties in Franklin Twp. for \$10,500 to Alex M. Kessel, Gettysburg R. 6.

Edward E. Brough, Latimore Twp., sold a property in that township for \$200 to Mr. and Mrs. Eugene A. Reynolds, Latimore Twp.

J. W. Crerand To Be Interred Here

Funeral services for John W. Crerand, 41, of Manchester R. 1, who died Sunday at York Hospital, will be held Wednesday at 8:30 a.m. at the funeral home at S. Queen and Jackson Sts., York, followed by a Requiem High Mass at 9 a.m. at St. Mary's Catholic Church, York.

Burial will be in Gettysburg National Cemetery. Friends may call at the funeral home from 7 to 9 o'clock this evening.

Mr. Crerand was York County Democratic chairman from June, 1956, to August, 1957. He served as county superintendent of state highways from April, 1955, to August 1957, when he resigned to become vice president and general manager of York Drilling Co., Inc. He was a purple heart veteran of World War II in which he served as a Marine sergeant in the Pacific Theater.

DECREASE IN GAS RATES TO COME AUG. 4

The price of natural gas for customers of Manufacturers Light and Heat Co. in Pennsylvania will drop August 4 in the second rate decrease by the firm this year, a company announcement said today.

The decrease, a \$468,500 firm and limited term rate reduction, results from lower charges by three of the firm's gas pipeline suppliers, Vice President C. A. Massa said. Last April Manufacturers cut \$1,842,000 from its retail rate schedules in a similar reduction.

Massa said the two rate decreases, including firm and limited term rate reductions of \$2,310,500, will result in \$6.25 yearly savings for heating customers and \$1.57 annually for non-heating consumers. The Federal Power Commission has approved the wholesale reductions at recent hearings.

YOUTH JAILED

Mark Lawyer, 20, Hanover, was placed in the county jail Monday afternoon. According to the jail records, he is charged with malicious mischief and assault and battery before Justice of the Peace Elizabeth Zinn, Hanover R. 5, by New Oxford Policeman H. S. Bentzel.

CHARGES WITHDRAWN

Ogden Schultz, Brecklenridge St., withdrew charges of drunkenness and disorderly conduct against Paul Bowling, rear of 137 Brecklenridge St., at a hearing before Justice of the Peace Anna E. Thompson Monday afternoon. The defendant paid the costs.

CLAIMS FRANCE VIOLATES U.N. ORDER TO STOP WAR IN TUNIS

By RODNEY ANGOVE
TUNIS (AP)—Tunisian President Habib Bourguiba accused France today of violating the U.N. Security Council's Bizerte ceasefire order by refusing to withdraw to their prebattle positions and by extending their hold on Tunisian territory.

Bourguiba warned at a news conference that fighting may break out again. He said he had told nations that had offered volunteers to help Tunisia that he needed trained guerrilla fighters, planes based in Tunisia or other countries, arms and mobile anti-aircraft batteries.

Bourguiba did not accuse the French of renewing the attack. But he said if they did not withdraw from Bizerte city into the naval base enclave, "fighting is bound to start again."

"WE ARE PREPARED"

"We have decided to resist until the end and we are prepared for new hostilities," the president declared.

Smorgasborg To Be Held By Elks

A smorgasbord for members of the local lodge of Elks will be held at the home Thursday evening from 5 to 9 o'clock. It is not open to guests.

Donald Myers, exalted ruler of the lodge, said today that reservations must be made not later than Wednesday noon and urged all Elks who plan to attend but will be unable to secure their tickets before Thursday evening to telephone their reservations before Wednesday noon.

LUTHER RICE DIES MONDAY AT AGE OF 83

Luther S. Rice, 83, former Arendtsville councilman and school director, died Monday evening at 7:48 o'clock at the home of his son and daughter-in-law, Rev. and Mrs. John H. Rice, Denver R. 2, Lancaster County, with whom he had resided since January 29.

A lifelong resident of Arendtsville prior to moving to the home of the son this year, he was born in Arendtsville, a son of the late Clayton S. and Emma E. (Wolf) Rice. He was a farmer, a member of the Trinity Lutheran Church, Arendtsville, and of its Sunday School, served as a school director and town councilman for a number of years and was register of vital statistics for Arendtsville and Franklin Twp. for many years.

RITES THURSDAY

His wife, the former Alva J. Smeltzer, died in June, 1937. Surviving are two sons, Rev. Rice, with whom he resided, and Carl L. Rice, Cincinnati, and one grandchild.

Funeral services Thursday afternoon at 2 o'clock from the Dugan Funeral Home, Bendersville. Interment in Fairview Cemetery, Arendtsville. Friends may call at the late home Wednesday evening after 7 o'clock.

The funeral services will be conducted by Rev. Walter E. Waybright, pastor of St. John's Lutheran Church at Denver, Pa.

Fairfield Man Is Sent To Ethiopia

M/Sgt. Ellis H. Kint, who has been at Orleans, France, since February 15, has arrived at Addis Ababa, Ethiopia, for a six-month tour of duty. He made the trip by jet with a four-day stopover in Khartoum, Sudan, where intense fighting was going on. "Bullets were flying everywhere," he wrote his wife.

Mrs. Kint and their son, Michael, reside at Fairfield. Another son, Ellis Jr., is in the U. S. Marine Corps and is stationed at Camp Lejeune, N. C., but is currently at Camp Perry, O., to compete in the national rifle matches being held there for eight weeks.

INSECT GROUP MEETS

Assistant County Agent Duane G. Duncan announced today that the insect identification group will meet at the Arendtsville National Bank social room Thursday evening at 7 o'clock. Dr. John Pepper, entomology specialist, will help identify the various species and orders.

CHARGES WITHDRAWN

Ogden Schultz, Brecklenridge St., withdrew charges of drunkenness and disorderly conduct against Paul Bowling, rear of 137 Brecklenridge St., at a hearing before Justice of the Peace Anna E. Thompson Monday afternoon. The defendant paid the costs.

DECIDED UPON 30-YEAR ISSUE FOR HS BONDS TO CUT COSTS

The Joint School Operating committee of the Gettysburg Joint School District Monday evening decided the bond issue to finance the proposed new Senior High School building will be a 30-year rather than a 40-year issue and the school officials hope thereby to save the district close to a half-million dollars in interest charges.

The school operating committee met Monday evening in the superintendent's office at the high school building with the Gettysburg School Authority Board and a representative of Butcher and Sherrerd, Philadelphia, which has been employed to prepare the prospects on the proposed bond issue.

The school and authority officials went over a preliminary financial analysis of the joint school district which they hope will earn "A" ratings for the bond issue they will offer for sale in September to finance the new school.

SELL BONDS SEPTEMBER 7

The financial study analyzed the district's ability to pay for the new school and compared annual and aggregate costs to each district for various lengths of bond issues.

Many of the figures examined Monday evening were based on a bond issue estimated at \$1,550,000 for the new building, although the exact amount of the issue will not be determined until after the construction bids for the new structure are opened on August 1.

The authority Monday evening decided to move back the date for the opening of bids on the bonds until Thursday, September 7. The date previously suggested was August 22, but the group Monday evening felt the early date did not allow enough time after the construction bid openings to

COMMITTEES FOR ROTARY ARE NAMED

Reports on activities at the Rotary Leadership Training Camp, held by Rotary Clubs of the district for high school youths each summer, were presented Monday evening at a meeting of the local Rotary at the YWCA.

Youths who attended the camp under sponsorship of the local organization included Edgar Hildebrand of Biglerville High School; Thomas Hardy, York Springs High School, and Frederick Tilberg Jr. of Gettysburg High School.

COMMITTEES NAMED

Dr. Richard C. Newsham, president of the local club, announced his committees for the year. They included:

Club services, Harold Reuning, director in charge; attendance, Clifford Snowberger, M. B. Sargeant, Paul Witt and Dr. James Sheen; public information, Dr. Harold B. Dunkelberger, G. Henry Roth, Wilbur Plank and Walter B. Lane; fellowship, Basil Benson, Julius Swope and Dr. Sheen; club bulletin, C. William Harbaugh, Roth; music, Dr. Frederick W. Shaffer, Dr. Kenneth Smoke; program, Vice President Clark Smith; magazine, James Cairns, Dr. D. L. Radsma, Dr. M. L. Stokes; classifications, Dr. Frederick Tilberg, Mares Sherman and Dr. John B. Zinn; Rotary information, Frank Britcher and Dr. Tilberg.

Community service, Dr. James Sheppard, director in charge; community safety, William G. Weaver, Dr. James Allison, Swope; rural-urban relations, Lt. Col. C. S. Bryan, L. S. Long; crippled children, Dr. Harrison Harbach, Dr. Radsma, Dr. Roy W. Gifford, Walter Dillon; charity, Dr. Frank N. Hewetson, Stanley Hull, Dillon; scholarships, (Continued On Page 3)

TO TOUR ACADEMY

Clarence Waybright, R. 2, will be the guest of State Police Commissioner Frank G. McCartney in a tour of the State Police Academy at Hershey at Monday afternoon. Waybright is the representative of Adams County Farm Bureau Cooperative and a director of the Pennsylvania Farm Bureau Cooperative Association, Harrisburg. He will attend the board sessions of the latter association next Monday before leaving for the Hershey tour.

TO HAVE OPERATION

Mrs. Lloyd Kroushour, 220 Baltimore St., who has been admitted as a patient at the Warner Hospital, will undergo a major operation there.

SEIZES CUBAN PLANES TO CUT CASTRO DEBTS

MIAMI, Fla. (AP)—One relentless creditor, Erwin Harris of Miami, has snatched six of Fidel Castro's aircraft varying from one-engine crop dusters to a DC3 airliner.

Harris also briefly attached a \$3,800,000 jet in which Castro himself flew to New York for a United Nations appearance but Cuba got that plane back.

Not so the DC3, a C46 cargo plane, a military Cessna and three crop-dusting planes—all of which were flown to Florida by hijackers or defectors.

Harris also has seized and liquidated huge quantities of land awaiting shipment to Cuba.

SEEKS \$429,000

The Miami advertising man, armed with a federal court judgment, is whittling down a \$429,000 debt which the Cuban Tourist Commission incurred for tourist business promotion.

The DC3 was a Cubana Airlines craft diverted by hijackers from an intra-Cuban flight with 20 persons aboard. Fourteen of them asked asylum in the United States when they reached Miami, July 3. Harris earlier had attached a hijacked Cuban C46 which also landed at Miami.

He got three crop-dusters in one swoop when the duster planes landed in the Florida Keys July 5 carrying four refugees. July 21, a Cuban defector flew a military-marked Cessna to the Keys and it, also was taken by Harris.

RECESS TRIAL OF EICHMANN TO AUGUST 3

By GARVEN HUDGINS
JERUSALEM (AP)—Adolf Eichmann's defense rested today and the Israeli court trying the former Gestapo officer recessed until Aug. 3 for defense and prosecution attorneys to prepare their final arguments.

The recess came after 70 days of court testimony in the trial of Eichmann on charges that as head of the Jewish Affairs Section of the SS, he had major responsibility for the wartime massacre of the Jews.

The court in this first major phase of the Eichmann trial heard 112 witnesses for the prosecution, almost all of them survivors of the Nazi death camps.

DEFENSE WITNESS

The only defense witness was the defendant himself, although affidavits were submitted on his behalf from several former Nazis now in Germany or Austria who would not come to Israel because they feared arrest.

Eichmann was on the stand for 25 days, reviewing the mountain of testimony and documentary evidence introduced against him. He maintained throughout that he was only a minor figure in the Nazi extermination of the Jews. He insisted that his every action was ordered by his superiors.

After the attorneys' final arguments next week, the trial will recess again while the three judges decide whether Eichmann will hang. The verdict is expected in October.

The defense ended with submission of a few final documents.

BACKS MURDER INDICTMENT

ELIZABETH, N. J. (AP)—Union County Judge Ervin S. Fulop has upheld the murder indictments against two men charged with the slaying of two socially prominent women in Plainfield.

The court, however, changed the wording of the prosecutor's complaint and removed from the indictments references to alleged felonies committed by the defendants, Lorelle Parks, 22, of Plainfield, and Joseph W. Maxey Jr., 23, of Dunellen.

The men, both Negroes, are charged with the slayings of Mrs. Eleanor Ewell, 51, of Westfield, and Mrs. Eleanor Tyson, 50, of Plainfield. The women were abducted in Mrs. Ewell's car and found slain in Plainfield.

Fulop said Monday that the removal of the references to alleged felonies makes little difference in the original charges.

The two men will be charged with common-law murders instead of felony murders.

NEW YORK EGGS

NEW YORK (AP)—(USDA)—Wholesale egg offerings fully ample on large, adequate on medium and more than ample on balance. Demand irregular.

New York spot quotations: Whites: Extras (47 lbs. min.) 39½-41; extras medium (40 lbs. average) 35-37; top quality (47 lbs. min.) 42-46; mediums (47 lbs. average) 37-39; smalls (36 lbs. average) 24-25; peewees 17-18.

Browns: Extras (47 lbs. min.) 40½-42; top quality (47 lbs. min.) 43-45; mediums (41 lbs. average) 38½-40½; smalls (36 lbs. average) 25-26; peewees 17-18.

"JUMBO"

Jumbo is a big guy... as his name denotes... he is a man of tenderness... he is subjected to the jibes... of those who like to talk... yet, Jumbo seldom answers... he merely takes a walk... this mighty man could tear apart... the ones who poke the fun... but his golden silence... puts them on the run... would that I could be like him... this man of patience stern... there would be little in my heart... about which I could yearn... so I praise this fellow... and I always will... Jumbo is a faithful friend... an oak tree on life's hill.

FAMOUS COW FOUND DEAD 'OF OLD AGE'

By NORMAN ROWLAND

YUKON, Okla. (AP)—Grady the cow, a 1,200-pound Hereford who jumped through a 17 by 23½ inch silo feed door into national prominence 12 years ago, died Monday not far from the silo where she spent four confusing days.

Her owner, Bill Mach, said the 18-year old cow "just got tired and died of old age." Mach found Grady dead in her corral on his ranch Monday night.

Grady jumped into the silo on Washington's Birthday in 1949, after having a hard time giving birth to a calf which died.

HELD NATION'S ATTENTION

For the next four days, Grady paced inside the silo. John Randolph, Associated Press staff member at Oklahoma City at the time and now AP general executive for Asia, was one of the first reporters on the scene.

From the time Randolph wrote "Hi diddle diddle, the cat and the fiddle, the cow jumped into the silo," until Grady oozed her way out of her prison, the 6-year old bovine held the nation's attention.

Before Grady was freed, Mach heard from folks in 45 states and several foreign countries.

There were numerous suggestions including a block of advocates of greasing Grady so she could squirm through the opening once a little pressure was applied from behind.

GREASES WON OUT

The greasers won. Ralph Partridge, Denver Post farm editor, flew here and smeared the fidgety cow with about 10 pounds of axle grease. A veterinarian gave her a sedative to calm her nerves.

A lariat was looped around her de-horned head and manpower was supplied from behind. After a few minutes, Grady caught on, wiggled her hips a couple of times and squeezed through.

Grady settled down, lived quietly afterwards and gave birth to several healthy calves.

She also stayed away from silos.

COMET NAMED AFTER PILOT

SEATTLE, Wash. (AP)—"I've been looking for one all my life," said the man credited with discovering Comet Wilson while flying at 29,000 feet off the Oregon coast.

A. Stewart Wilson, 34, of Seattle, second officer on a Pan American World Airways flight from Honolulu, said he was looking casually for the planet Mercury with his binoculars.

Then a wedge of light appeared and narrowed to a point—the head of a comet.

OTHER PILOTS

At San Francisco, other airline pilots also reported seeing a mysterious light Sunday and Monday mornings, but Wilson, an amateur star gazer, apparently was first to report it.

When Wilson got home he tried to telephone Harvard Observatory. He couldn't raise anyone so he wired, Monday Harvard reported the discovery and said the name would be Comet Wilson.

The new comet has a long tail and third magnitude brightness, which makes it two to three times dimmer than the North Star but much brighter than the Milky Way.

Harvard said it can be seen in the northeastern sky in early morning.

CLEVELAND, Ohio (AP)—Dr.

Edward R. Sharp, 67, former director of Lewis Research Center of the National Aeronautics and Space Administration, died Monday of cancer. Dr. Sharp, who served as head of the \$125-million research center from 1942 until his retirement last January, was born in Hampton, Va.

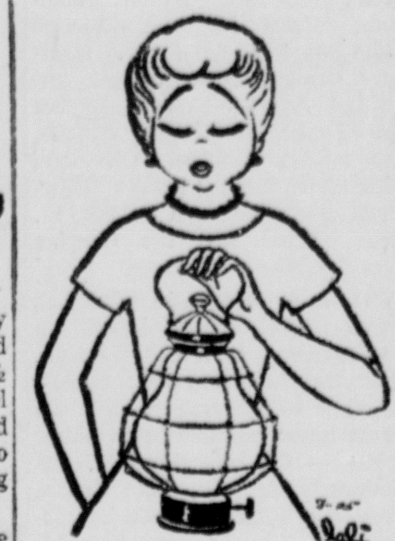

CAPE GIRARDEAU, Mo. (AP)—Juel Mosley, 61, managing editor of the Southeast Missourian at Cape Girardeau since 1927, died Monday. Mosley, who had been ill with throat cancer, was associated with the newspaper nearly 40 years.

A Lovelier You

WARNING TO WAISTLINES. At the waistline, even one excess inch is a serious overage. The extra girth throws bosom and hip measurements, good or not-so-good, out of all proportion.

Of course, when a waist inflates to spare-tire size, it spoils the hang of clothes. And the problem will not be solved, as you might imagine, by fall fashions with a demi-fitted waistline. Bodices curve in just enough to outline the waist. There's no belt, moreover, to pull it in.

Many women contend that they are not aware of an encroaching

gain in the middle. It comes so slowly. Well, let's put an end to that contention, or shall we say "pretention."

Your midriff gives a clear signal or trouble ahead when you have to let belts out a notch—when a high-rise girdle pinches—when you can pick up an inch of flesh between thumb and forefinger.

Do heed the warning, lest the inches multiply. It is so much easier to take off a little than a lot. But whichever you may have to do, this routine slims the waist at the rate of an inch per month:

Stand with back and head pressed to wall. Raise arms to sides, at shoulder level. Without moving hips, reach across body with left arm and try to touch right hand; swing arm back to starting position. Repeat ten times, then work with right arm. Throughout, try for maximum pull and stretch in waist muscles.

POCKET CALORIE COUNTER

Do you really know the calorie counts of the foods you eat? Our new booklet, POCKET CALORIE COUNTER, tells the score at a glance. It also gives a diet plan—a way to eat and slim. For your copy, write Mary Sue Miller, A Lovelier You, Box 138, The Gettysburg Times, Dundee, Ill., enclosing a long, self-addressed, stamped envelope and 10c in coin.

DECREASE IN

(Continued From Page 1)

reimburse customers another \$228,500 by reducing rates in a 12-month meter reading period beginning August 4.

Manufacturers' wholesale suppliers whose gas charges were sliced by the FPC order are Tennessee Gas Transmission Co., Texas Eastern Transmission Corp. and Transcontinental Gas Pipe Line Co.

HAD FORCED RATES UP

The local utility serves 170,000 heating, 65,000 nonheating and 21,000 commercial, municipal and industrial consumers.

Pennsylvania gas companies in recent years have been forced into a succession of retail rate increases following higher gas charges from pipeline suppliers. The pipeline companies must justify wholesale rate requests before the FPC. Requests go into effect subject to refund pending FPC's final order.

Manufacturers relay wholesale rate increases from its suppliers to local retail customers. If the FPC later decreases these wholesale rate requests, the reduction is then passed on to Manufacturers' consumers. The present decrease also will go to West Virginia retail consumers and wholesale customers of the firm in Pennsylvania, West Virginia, Ohio and New York.

FOUR IN PEACE CORPS

WASHINGTON (AP)—Four Pennsylvanians are among 150 men and women scheduled to begin training in the Peace Corps next Monday at Penn State University.

Preparing for jobs as assistant teachers in the Philippine Islands, they are Francis T. Froehle, 23, Prospect Park; Elaine E. Gilvear, 23, Philadelphia; Max Klass, 22, Allentown, and Eleanor L. Whitlatch, 22, Carnegie.

KENNEDY WILL GET DEFENSE SPENDING OK

By JACK BELL

WASHINGTON (AP)—Congress appears ready to support an expected request by President Kennedy for an increase of \$3 billion or more in defense spending.

But there is a sharp difference of opinion among members on whether action should be taken at this time to increase taxes.

Kennedy outlines to the nation in a television-radio broadcast tonight the grave challenge raised by Soviet Premier Khrushchev's threat to try to squeeze the West out of Berlin.

FINDS MESSAGE

The President will follow this up Wednesday with a message asking Congress for funds to bolster the nation's defense capabilities.

The general belief among the lawmakers is that Kennedy has ruled out any crash program and will ask for an orderly step up in the strength of Marine and Army ground forces, plus more intensive training for National Guard and reserve units.

To pay for all of this, some members of Congress have argued that Kennedy should ask for an immediate increase in corporation and personal income taxes.

FAVORS TAXES

Sen. Hubert H. Humphrey of Minnesota, the assistant Democratic leader, said he is one of those who personally urged Kennedy to seek new taxes.

"I think the President should lay the Berlin situation before the people bluntly and should ask for the taxes needed to pay for strengthening our defenses," Humphrey said.

Humphrey said, however, that the President had been urged by other members to defer any tax request until it can be determined later whether present tax rates will bring in sufficient revenue to avoid any large deficit.

KENNEDY HAS BASIC POLICY FOR NETWORK

WASHINGTON (AP)—President

Kennedy, in a statement of policy, has announced that a U.S. communications satellite system should be owned and operated by private companies—if certain requirements are met.

Among the requirements he laid down was "maximum possible competition."

In his statement Monday Kennedy again invited all nations to join in the space network "in the interest of world peace and closer brotherhood among peoples throughout the world."

HAS GUIDELINE

He drew up guidelines for business requirements and government responsibility in the program which is still in the research and development stage.

Kennedy said private ownership and operation of "the U.S. portion of the system is favored, providing that such ownership and operation" meet policy requirements.

These include:

BASIC POLICY

A new and expanded international communications system, including service to unprofitable areas; opportunities for foreign participation in the system; effective competition in buying of equipment; structure of ownership or control which will assure "maximum possible competition" and development of an economic system.

The federal government for its part, Kennedy said, will, among other things, conduct and encourage research and development in the field; handle international agreements; provide technical assistance to newly developing nations to help maintain a global system.

Kennedy put policy coordination in the hands of the National Aeronautics and Space Council.

BONN, Germany (AP)—Chancellor Konrad Adenauer's government has drafted a tentative 1962 budget providing a \$500 million increase in defense spending, government sources reported today.

The \$13-billion budget would include a total of \$34 billion for defense. Most of the increase would be for new tanks, planes and ships.

PARIS (AP)—Interior Minister Roger Frey has rejected a request by a Gaullist member of the National Assembly for a ban on rock 'n' roll in France.

Five policemen were injured recently when a rock session got too enthusiastic. The deputy complained that the teen-age craze sometimes caused rowdiness, but Frey said he could see no valid reason for a general ban.

HONG KONG (AP)—The killing of two Communist border guards by two escapees from Red China triggered mass arrests in the mountainous area on the Communist side of the Red China-Hong Kong border, the anti-Communist Kung Sheung Daily News reported today.

Barefoot Senator

That's Paul Douglas, U.S. senator from Illinois, running along beach at Michigan City, Ind. The Democratic senator was among federal and state officials who toured the sandy hills on Lake Michigan shores trying to decide the long issue between conservation and industry. As soon as Douglas arrived, he doffed sneakers and socks and went for a trot up the beach—about half a mile. (AP Wirephoto)

HALUSKA OFF ON NEW TACK ON TWO BILLS

HARRISBURG (AP)—Sen. John

J. Haluska, D-Cambria, was off on a new tack today in his position on bills to tighten backfilling requirements at anthracite and bituminous strip mines.

He told newsmen Monday, hours after his Local Government Committee completed seven days of public hearings on the bills, that he will not let them come to a committee vote unless he has a firm commitment from Gov. Lawrence to assure that bonds forfeited by strippers under the act would be spent only in the county involved.

Last week Haluska offered to trade the bills for two relief measures he introduced.

MINERS OPPOSED

But administration Democrats traded that down flat. Haluska said he planned to meet today with strip mine operators to "see what kind of bill they can live with."

Strip operators are unanimously opposed to the measures which would require backfilling of anthracite pits at least 75 feet and bituminous pits to the top of the high wall, at 45 degree angles. Forfeit bonds would be raised from \$300 to \$500 an acre.

Haluska also indicated he would push for a fact-finding board to determine the exact cost of backfilling under the new proposals.

DIFFER ON COST

At the final hearing, state officials testified the work could be done for about 15 cents for each ton of coal mined. Mine operators claimed it would add about 46 cents a ton to bituminous production and \$1.38 a ton to anthracite costs.

"Somebody's wrong or somebody's lying," Haluska said.

He suggested that the fact-finding board "could do the work in about four months, to show my sincerity, and the bills could be taken up in 1962."

FIVE FINAL SESSIONS

Action in the 1962 session would be impossible because the constitution limits even-numbered sessions to consideration of fiscal matters.

Final testimony was confined to five witnesses, representatives of the anthracite and bituminous industries, the State Mines Department, the State Health Department, and an individual landowner.

Daniel H. Connelly, assistant secretary of mines for anthracite, testified that the proposed changes would not drive any mine operator out of business. He repeated the department's contention that the new regulations are needed to eliminate safety hazards, prevent stream pollution, and to restore the beauty of land scarred by stripping.

MOSCOW (AP)—Ghana President Kwame Nkrumah ended a 15-day visit to the Soviet Union today declaring Soviet unity should teach the people of Africa a lesson in their struggle for "liberation from imperialism and colonialism."

Nkrumah, leaving by plane for Warsaw, Poland, told a crowd at the airport that the successes achieved by the Soviet Union in such a short time proved what could be done by a "united and loyal people."

SAIGON, South Viet Nam (AP)—More than 80 Viet Cong rebels were reported killed in the past week in clashes with government troops.

Thirty or more were killed in a single battle 30 miles east of Saigon. A total of 50 more dead were reported from other sections of the country.

The South Vietnamese liaison mission reported six government patrol boats routed a flotilla of 20 motorized sea junks from Communist North Viet Nam on July 9.

Kiwanis Club To Sponsor '62 Team

President Kenneth Foust of the Kiwanis Club appointed two members to the board of directors of the Big Little League at the weekly dinner meeting of the Kiwanians Monday evening at the Varsity Diner. President Foust, who recently returned from a trip to the southwest and the Pacific coast, named Dr. George Wolfe and Harry Redding to represent the club.

The club will sponsor a team in the club next season and the new representatives will help plan for the season. After the dinner and business meeting, the club members went to the Hall of Presidents for a tour of the establishment as guests of the management.

BOYLE CHECKS MAIL BAG FOR COLUMN ITEMS

By HAL BOYLE

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

You may think you never dream—but you do. Everyone spends up to 20 per cent or more of his sleeping hours dreaming. If you have a high intelligence quotient, you dream more.

Some people mistakenly think a stigma is attached to being fingerprinted, but as a matter of fact, only one in five of the 152 million fingerprints in the FBI files belongs to a criminal or crime suspect.

AROUND HOUSE

How helpful are you around the house? A survey found 83 per cent of husbands now assist their wives with chores ranging from shopping to bed-making and dishwashing. But about one in six men resolutely proclaimed they refused to do "women's work."

Getting away from it all may make your ulcer worse rather than better. Doctors have found many normally active men often become more tense when frustrated by enforced rest away from their work.

Federal income taxes take more than seven times as much out of the average wage earner's dollar today than in 1941.

GRANT NOT MUSICAL

Gen. U.S. Grant was one of the least musical of U.S. presidents. "I know only two tunes," he once remarked dryly. "One of them is 'Yankee Doodle,' and the other isn't."

Upcoming soon: A new printing ink which promises to make newspapers smudge-proof. That could be one of the biggest boons to reading since the invention of the alphabet.

Wisecrack of the week: "Ah, for the good old days," sighs Walter Slezak, "when the only kids who saved up to buy knives were Boy Scouts!"

CREDIT CARDS

The first "credit cards" were probably rings worn by 13th century German knights and encrusted with their family coat of arms. Innkeepers, recognizing the owners as men of worth, billed them later for their charges so they wouldn't have to carry money on the robbery-infested highways. The penalty for counterfeiting a family ring: Death.

Pony Express riders—like airline pilots now—were among the elite of their day. They earned from \$100 to \$150 a month, plus rations of bacon, beans and buffalo steak.

It was Jonathan Swift who observed, "May you live all the days of your life."

TINY VILLAGE HAS BIG LOAN

GASSVILLE, Ark. (AP)—The U.S. Commerce Department has put this tiny Ozark Mountain town on the map by granting it the nation's first project under the new Area Redevelopment Act. Gassville, whose single paved street is U.S. Highway 62, will get a federal loan of \$31,000 and a grant of \$129,000 to help pay for a water system vital to a new industry. The grant was announced Monday.

The Mar-Bar Shirt Co. is building a \$470,000 plant here to employ 1,000 from a four-county area in the manufacture of men's shirts. Its \$2.5-million annual payroll will give the area's sagging economy a vital boost.

TINY VILLAGE

Gassville's population is 233 and its business section consists of three general stores, a post office and two antique shops. Many of its people are retired.

"But we're proud people today," said Mayor Harry Jowett, 70, a retired circuit-riding Methodist minister. "Now we've got what it takes to develop our town and give our young people jobs at home where they belong."

The town is in Baxter County in the north-central section of the state, 20 miles south of the Missouri border.

CLEVELAND (AP)—A juvenile court judge today sent the "Sleeping Beauty" sisters home on a trial basis to their mother, Lillian Fratanito, after nearly a year in a children's home.

COMMUNISM MAY BE TAUGHT

The House Monday approved an amendment to the Public School Code which would make the teaching of "the wicked deceptions" of communism a part of the school curriculum.

The amendment, passed 172-2, now returns to the Senate for concurrence on this amendment to the Senate bill.

The measure, as amended, requires that at least four semesters of social studies from the Seventh Grade to the Twelfth Grade include the teaching of communism so that the public and parochial school children come "to understand the wicked deception and destructive and fraudulent effect of communism."

Rep. Francis Worley, York Springs Republican, in speaking for the amendment, said, "It is necessary to have this bill in order to equip the American people with a sound judgment and appraisal of the ideas opposed to our political ideas, but we must make it certain that we do not pay our adversaries the highest compliment of aping them and becoming totalitarian ourselves." He received assurances from Rep. Marsh, a sponsor of the amendment, that the intention is that communism be taught objectively in the public schools of the state.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
FIFTY YEARS AGO

Yohn-Howard Wedding Today:
Miss Charlotte W. Howard, of
near town, and Ernest H. Yohn,
of Harrisburg, were married at
a pretty home wedding at the
residence of the bride's parents,
Mr. and Mrs. Charles A. How-
ard, at noon today.

The bride wore a gown of white
satin messaline trimmed with
baby Irish lace and pearl beads.
She carried a shower bouquet of
white sweet peas. Her sister,
Miss Margaret Howard, was
bridesmaid. She wore a gown of
white embroidered batiste and
carried roses. Mr. Yohn's brother,
Robert Yohn, was best man.
Mrs. Mattie B. Howard, of Gettysburg,
played the Lohengrin
March. The ring service was
used, the ceremony being per-
formed by Rev. Joseph B. Baker,
of Gettysburg, and Rev. Dr. C. K.
Swartz, of Baltimore.

Would Bring His Aeroplane
Here: In a dispatch from the Na-
tional Guard encampment at Mt.
Gretna, the Philadelphia Record
says: "When the National Guard
of Pennsylvania goes to camp at
Gettysburg next year the Phila-
delphia brigade will have the
honor of introducing the first
aeroplane corps ever attached to
the militia forces of a state. In
fact, it was planned to have
maneuver flights from Camp
Tilghman, but owing to the in-
experience of students of aviation
in the Guard, it was decided to
postpone the experiments until
next year, when the aviators will
have had practice in flying bi-
planes and aeroplanes."

Large Crop Of Snake Stories:
An unusual abundance of snakes
of all kinds, but especially cop-
perheads and rattlesnakes, have
made their appearance in the
county this year and big crops of
snake stories have resulted.

Many county people have slain
large numbers of the reptiles.
Edward Starnes, living on the
Osborne farm in Menallen town-
ship, has killed twenty-three cop-
perheads and one rattler this
summer. His neighbor, Ira Slus-
ser, put a large number out of
the way also. Mr. Slusser had
one of his cows bitten by a cop-
perhead and saved it with diffi-
culty.

County People Attend Picnic:
Eight hundred Adams Countians
from the northern and western
sections of the county took in the
big annual picnic at Mount Holly
Springs today, the event proving
the success which it has always
been in the past.

The special train carrying the
picnickers left Gettysburg at
7:15 with about ninety people on
board. At all the stations along
the route large crowds were
added, several hundred getting
on at some of the stations. The
train carried fourteen cars and
was drawn by two large engines.
The regular trains during the
day took over many more and
the crowd was not far from
reaching the record.

Many Autoists Visit Field: The
visit of no less than two hundred
and fifty automobiles to the bat-
tleground in the past three days is
an indication of the rapid in-
crease of that form of travel to
this point.

Tab is kept on all automobiles
visiting the battlefield by the
guards on the avenues who take
the license numbers of all ma-
chines. Their figures indicate that
one hundred fifty cars were on
the avenues Sunday, forty on
Monday and sixty on Tuesday.
This is exclusive of all local
cars.

The 1904 Class Reunion: The
'04 Class of the Gettysburg High
School held an impromptu re-
union at Round Top Tuesday
evening, enjoying the various
amusements which the place af-
forded but more especially the
dainty and attractive lunch
served by the ladies of the class.
Those present were: Misses Nel-
lie Weaver, Laura Shields, Mrs.
R. E. Zinn, Emmor Rice,

Today's Talk

WEAKNESS
It is the strong man, who re-
cognizes his weakness.
The weak man thinks that he
is strong in all ways. But the
strong man, realizing he has the
conquering spirit within him,
draws upon his strong points and
does his best to rise above his
weak points when the emergency
calls upon him.
So there is a constantly in-
creasing power coming to such
a man.

Sometimes we have only a
faint idea of how strong we are.
It is at such times that we
should assume great strength
and walk ahead. Courage, some-
how, picks up strength all along
the way.
Then, again, you never know
how strong you are until you put
your strength to the test.
Weakness, however, should be
faced.

"To gain or lose it all" is the
only spirit in which to enter any
fight.

Your weakness will prove no
more than ghosts to you if you
will but bring your strength to
bear upon them.

You must keep building up
within your mind the belief that
you are strong and that you are
not afraid.

Weakness must be recognized,
but only as the gardener recog-
nizes the weeds in his garden.
In cultivating the worthwhile
planting, he eliminates the
weeds—and so in adding to your
strength, you crowd out your
weaknesses.

To be strong you must play to
your strong points and not your
weak ones.

Tomorrow Mr. Adams will talk
on the subject: "Enjoy The
Right Things"

Protected, 1961, by The George
Matthew Adams Service

Just Folks

FRIENDSHIP
I cannot count my wealth in cash,
Nor measure it in feet of
earth;

No buildings tower to the sky
As monuments to what I'm
worth;

But every day I smile and say:
With friends about me
everywhere,

My bank roll's slim, but anyway
In friendship I'm a millionaire.

I own a car but not to speed
Along the crowded city street;

I have no favors to bestow,
Nothing but smiles for all I
meet;

And yet somehow, when night
comes on

I close the day without a care,
Content, this thought to dwell
upon:

In friendship I'm a millionaire.
I own no stock but twice a year
Brings in a hoard of dividends,
But I collect great sums of cheer
And happiness from all my
friends;

And in the hearts of all I know
I feel, somehow, I own a share
That's always up to par, and so
In friendship I'm a millionaire.

Carole Tregoff
Undergoes Surgery

CORONA, Calif. (AP)—Carole
Tregoff, 24, convicted with Dr. R.
Bernard Finch of the 1959 murder
of his wife, has undergone
surgery for removal of a tumor.
The operation was performed 11
days ago.

The superintendent of the state
institution for women here, Mrs.
Irene Carter, said Monday the
tumor was nonmalignant. It was
discovered during examinations
of Miss Tregoff when she entered
the prison last April to begin a
life sentence.

Finch, Miss Tregoff's lover, is
serving a life term at San Quen-
tin.

CONGRESS MAY OFFER CIVIL DEFENSE SUMS

EDITOR'S NOTE—In this sec-
ond of four articles on the pos-
ture of U.S. civil defense, Sterling
F. Green discusses financial as-
pects of the program as well as
the present hazard, the problem
it presents and the proposed start
toward a solution.

By STERLING F. GREEN
WASHINGTON (AP) — With
public concern over civil defense
sharpening, officials think Con-
gress may be induced at last to
provide a vital ingredient—money,
in big quantities.

When mayors, governors and
local civil defense officials call
for "more vigorous federal lead-
ership," it usually means they
want Uncle Sam to put up the
money that overburdened city
treasuries cannot provide.

The Kennedy administration
has accepted the view that the
job is worth doing and that the
government must foot much of
the bill to get a national shelter
program going.

THE PROBLEMS

In three long sentences, here
is the threat, the problem it pre-
sents, and the administration's
proposed start toward a solution.

The hazard: In a successful,
surprise nuclear assault by mis-
siles and bombers, 70 million
Americans might be exposed to
death or disability by blast, radi-
ation and fallout, while panic,
confusion, and hunger might be
spread through much of the sur-
viving population.

The problem: To save as many
as possible—perhaps half of the
70 million in the prime danger
zones—from the wind-borne, radi-
ation-laden dust which is called
fallout and which might reach 75
to 80 per cent of the white land
area; this would leave about 150
million Americans still alive to
work and fight.

KENNEDY'S SOLUTION

President Kennedy's recom-
mended solution: With some \$200
million to be provided on top of
the \$100 million already asked,
to start surveying, marking and im-
proving potential shelters in ex-
isting apartment houses, office
buildings, schools, dormitories,
factories and warehouses; to in-
stall shelters in new and old fed-
erate and local funds for shelters
in local public buildings.

With such a concentration of
shelter zones across the country
it would be possible to protect
virtually the entire populations of
those cities which are spared
from actual nuclear blasts, offi-
cials believe. A preliminary sur-
vey indicates, for instance, that
Kansas City, Mo., could be made
relatively safe from fallout with-
out any new construction.

This implies that stocks of food
and medical supplies would be on
hand. Providing them will take

still more federal and local dol-
lars. The President said that his
budget requests "will increase
sharply in subsequent years."

BOWLERS TRY NEW SCORING IN PIN PLAY

KANSAS CITY (AP)—The new
National Bowling League swung
into action briefly Monday night
in a Hollywood-like premiere to
introduce new scoring rules in-
cluding match and bonus points
and player substitution.

The locale was Midland Stadi-
um, a former movie palace in
downtown Kansas City where
2,000 enthusiastic fans padded
about on plush carpeting and
took advantage of well uphol-
stered lounges.

In place of conventional scor-
ing where the team that knocks
down the most pins is declared
the winner, a point system has
been devised to decide the winner.

Five-man teams bowl against
each other. Each man in his po-
sition competes against the man in
the same position on the other
team. Match and bonus points de-
cide the winner. A bowler chalks
up a match point when he de-
feats his opponent. He also gets a
bonus point if he scores a game
of 210 to 219; two points for games

of 220 to 229, etc., up to 10 points
for a perfect game.

Another new idea is free sub-
stitution. A player can be put into
the game at any time and taken
out again after throwing one ball.
He usually is a specialist at pick-
ing up tough spares or splits.
League play starts Oct. 13 and
continues for 26 weeks with a 135
game schedule.

4 CLUBS SHOW GAIN AT GATE

NEW YORK (AP) — The Wash-
ington Senators drew 44,821 for a
two-day, three-game series with
the New York Yankees last week
and pulled ahead of last season's
home attendance pace of the old
Senators, now in Minnesota.

The Senators have played to
420,115 in 42 dates in Griffith
Stadium compared to 411,887 by
the team which represented the
nation's capital in 1960.

Cincinnati, Detroit, Kansas City
and the Yankees are the only
other major league clubs show-
ing attendance gains. The Reds
are up 172,000, the Tigers 56,000,
the Athletics 39,000 and the Yanks
28,000.

The decreases, in figures com-
piled by the Associated Press
through Sunday's games, range
from 361,000 for the Chicago
White Sox to 55,000 for the Balti-
more Orioles. Other deficits are
the Los Angeles Dodgers 346,000,
San Francisco Giants 310,000,
Philadelphia 244,000, Cleveland
237,000, Milwaukee 222,000, Pitts-
burgh 165,000, Boston 150,000, St.
Louis 135,000 and the Chicago
Cubs 114,000.

The new Minnesota club has
drawn 708,562, fourth highest in
the 10-team American League,
while the Los Angeles Angels,
the other new franchise, have the
lowest home attendance in either
league — 373,195. However, the
combined total for both teams
gives the junior circuit an in-
crease of 7.8 per cent. The AL
has played before 6,002,214 com-
pared to 5,592,854 last season.

The National League, which has
attracted 5,274,751 customers this
year, is 20.6 per cent under last
year's total of 6,637,126.

British Report New Vaccine For Colds

LONDON (AP) — The British
Medical Research Council re-
ported today a vaccine against
the common cold is now a pos-
sibility following a scientific
breakthrough.

The council said it is collaborat-
ing with three commercial drug
manufacturers who are working
on a vaccine.

Scientists working at the Com-
mon Cold Research Laboratory at
Salisbury discovered that with
modification of the technique of
tissue culture, viruses of the
common cold could be grown con-
sistently.

But the council cautioned that
if many types of cold virus exist,
prospects of developing a reliable
single vaccine are not so bright.

Player Boosts Total Tee Take

DUNEDIN, Fla. (AP) — Gary
Player of South Africa, golf's
leading money winner of 1961,
boosted his total to \$55,269 this
week and moved \$4,684 ahead of
his chief rival, Arnold Palmer of
Latrobe, Pa.

Official winnings released by
PGA headquarters gave Palmer
a total of \$50,585. Doug Sanders,
in third place, has won \$37,226.
Others in the top five are Bill
Casper Jr. (\$30,208) and Bob
Goaly (\$24,627).

Player added \$1,300 to his total
Sunday by finishing in a tie for
sixth place in the Milwaukee
Open. Palmer's figure was un-
changed from a week ago.

JURGENSEN IS NO. 1 PILOT NOW

HERSHEY, Pa. (AP) — Sonny
Jurgensen no longer is the for-
gotten quarterback of the Phila-
delphia Eagles.

With the retirement of Norm
Van Brocklin from the active
player ranks to become coach of
the Minnesota Vikings, Jurgensen
this year emerged from the shad-
ow of the great Dutchman into
the limelight as the Eagles' No. 1
quarterback.

Jurgensen, a former Duke star
who rode the bench for three
years behind Van Brocklin, didn't
waste the time. He said he
learned plenty from Van Brocklin,
who guided the Eagles to National
Football League championship
last year.

Jurgensen doesn't appear wor-
ried over the prospect of stepping
into Van Brocklin's big shoes.

"I've always thought I could do
the job," he said at the Eagles'
training camp. "If I didn't think
so I should never have been a
quarterback in the first place."

Calavito, Robinson Lead Tigers And Reds As Both Extend Leads; Others Idle

By MURRAY ROSE
Associated Press Staff Writer

Rocky Colavito's three-run homer led the league-leading Detroit Tigers to a 5-2 victory over the Los Angeles Angels in the American League Monday night as streaking Frank Robinson hit a homer, double and single to pace Cincinnati's National League pace-setters to a 9-3 rout of Milwaukee.

Colavito, taking over where slugging teammate Norm Cash left off Sunday, batted his homer in the sixth inning to give the Tigers their third straight victory. The win at Los Angeles stretched Detroit's lead to one full game over the idle New York Yankees.

Dick McAuliffe's two-run homer in the ninth iced the triumph for Jim Bunning (11-7) and the Tigers.

Robinson, making a tremendous bid for the National's triple crown—batting, homers and runs batted in—was the most valuable player award, stretched his hitting streak to 19 games, a league high for the season.

2-GAME LEAD
This was the streaky Reds' third straight win and fattened their league lead over the idle Los Angeles Dodgers to two games. It blunted the surge of the Braves who had won five straight and nine of their last ten games and dropped them 9½ games back of the Reds.

These were the only two regular championship games as most of the major leagues took time out for the annual Hall of Fame contest at Cooperstown, N.Y. The Dodgers bombed the Baltimore Orioles, 6-2, in the exhibition.

Cash is leading the American League in batting (.366) and RBI (91) and is tied for fifth in homers with 27 in his bid for MVP laurels. Colavito is tied for fourth in RBI with 86, fourth in homers with 28 and is batting .283. Mickey Mantle is third in hitting (.333), first in homers (37) and tied with Colavito in RBI. Roger Maris is second in homers (36), third in RBI (88) and is batting .272.

HAS HR LEAD
Robinson, who stretched his consecutive batting streak to 19 games—a National League high for the season—took over the NL's first place in homers (29) and RBI (87), and closed in on batting leader Roberto Clemente with a .349 mark to the Pirate's .358.

The Tigers were trailing 1-0 when Colavito blasted his homer off Jim Donohue (4-4), a former Detroit right-hander. The Angels scored one run in the first on Leon Wagner's sacrifice fly and the other in the seventh on a walk, two singles and an error.

Cash opened the second with a triple but was stranded. In the ninth he walked and scored on McAuliffe's fifth homer. Al Kaline, another roaring Tiger, singled to extend his batting streak to 17 games.

Wally Post (11) and Leo Cardenas (4) joined Robinson in the home run bombardment against Warren Spahn and reliever Tony Cloninger. Robby's two-run homer in the seventh gave Jay a fat 5-2 margin to work on.

It was Jay's third victory (no defeats) over his former teammates and his second over Spahn, who was lifted for a pinch hitter in the fourth with the score 3-0 against him. The 40-year-old southpaw, still three wins away from the elite 300 set, was charged with his 12th loss. He has won 9, Jay (14-5) paces the league in victories.

CRIPPLED TEAM MEETS POLAND

WARSAW (AP) — The medical report on the crippled United States track team which meets Poland here this weekend began to improve today.

The Poles were almost as happy about it as United States coach Jim Elliott.

"We don't want to go against a team that has a lot of injuries," said one Polish athletic official. "We have been hearing about the troubles the Americans have been having and have been hoping that they would come around."

"If we lose, we want to lose to a healthy team and if we win, we want to beat the best."

At the moment, 10 members of Elliott's 40-man squad are ill or injured. Hop, step and jumper Bill Sharpe's leg was so bad he was sent home Monday.

The only one who might miss the meet, however, is javelin thrower John Fromm, who has had a bad pull in his right side.

The team will have six days rest between the Great Britain and Polish meets and that should help considerably. Last week, the squad defeated the Russians 13-9, the West Germans 14-6 and Great Britain 13-7.

TV SPORTS TO BE CHECKED

WASHINGTON (AP) — The Justice Department said today it is undertaking a study of all package television agreements involving organized sports.

The move stems from last week's ruling of Federal District Judge Allan K. Grim of Philadelphia invalidating the National Football League's \$9.3 million, 2-year TV contract with the Columbia Broadcasting System.

Judge Grim said that under the format in which the NFL television rights were delivered to CBS as a package, the individual member clubs "eliminated competition among themselves" in the sale of such rights and violated a 1953 anti-trust judgment against the league.

In announcing the study of other package TV arrangements, justice officials emphasized that it would be a mistake to attempt to generalize the Grim ruling in relation to other TV contracts.

They noted that although all of these contracts are similar, they are far from identical. Hence the study.

Keenland Has Record Sales
LEXINGTON, Ky. (AP) — Records fell like ten-pins as the Keenland thoroughbred summer yearling sales brought new highs of \$130,000 for a colt and \$70,000 for a filly.

The opening two-session sale Monday was one of the most spectacular in history and a singular triumph for famed breeder Leslie Combs II, who had predicted the colt record.

His consignment produced the two record smashing horses. The Swaps-Obedient colt was bought by John Olin, chairman of the Olin-Matheson Chemical Corp., and the Nashua-Beav Jet filly by J.G. Lockwood, agent.

PREVIOUS HIGH
The previous high for a colt was \$87,000 paid for Rise 'N Shine in 1956 at Saratoga.

The old filly mark of \$63,000 was set when Idum was sold by Combs in 1954.

Sales on 120 head totaled \$1,851,200 for an average of \$15,010.

The sale continues today with afternoon and night sessions. It ends Wednesday with a matinee.

GAME RESCHEDULED

Plan Parents' Club At GHS

In a move to give additional support and backing for the Gettysburg High School football squad this fall, parents of the prospective members of the squad will gather Saturday evening at the Recreation Park pavilion at 6:30 o'clock for a family style picnic at which it is planned to form a Parents' Club.

Each family is to bring its own picnic supper and a cold drink will be provided.

Head Coach Don Young, one of the promoters of the new organization, will attend the affair Saturday and help with the formation of the new group.

SAYS PAR WILL BE RESPECTED

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

CHICAGO (AP)—Par should be highly respected when a field of 169 pros start taking a crack at it Thursday in the 72-hole, stroke-play National Professional Golfers Association tournament.

The 35-35-70 standard over the wooded terrain of Olympia Fields North Course has stood up well in previous big tournaments.

In practice, there are few, if any, golfers who boast of shattering par on the 6,722-yard layout.

Arnold Palmer shot a 69 June 6 to defeat defending PGA champion Jay Hebert by four strokes in climaxing National Golf Week. The rough has been allowed to grow since then in a gradual toughening-up process that will put a premium on accuracy.

SHOT A 65
Palmer and Hebert agreed then that anything from 277 to 280 might be the winning total.

Only once has par taken a real whipping on the North Course. Lawson Little's 65 in the 1940 qualifying round for the USGA open stands as the course record.

Palmer is regarded the man to beat in a field which includes champions of 42 of the PGA's co-sponsored tournaments, 16 former PGA winners, 20 leading money winners of the year, 81 National Open titlists and 7 Masters' champions.

Winner of the British Open this month, USGA Open in 1960 and the Masters in 1958 and 1960, Palmer needs only the PGA crown to sew up all major titles.

Conewago L.L. Founder Is Successful Manager

(Fourth in a series of articles on the six Conewago Little League baseball teams.)

Adding one more season to his many years of service is one of the outstanding baseball managers in Adams County, William "Pacer" Krepps, manager of the Sylvania Shoe entry in the Conewago Little League. A Krepps managed little league team has always been respected by opposing managers and players alike.

Krepps is the last to say how he expects to finish and campaign, but it is a sure bet that his clubs will be top contenders for the title.

Krepps has a well balanced ball club and like many others is built around several outstanding players. Tom Neiderer and Tony Lawrence take care of the hitting department with Neiderer considered a fine consistent batter.

Neiderer is also one of the teams leading hurlers and plays an excellent defensive game at short stop when not on the hill.

Tony Lawrence takes care of the duties at first base although he receives plenty of competition from Tom Folmer. Jim Keffer, a 10-year old rookie, is the regular second baseman, but Mike Noel has been turning in a fine performance on various occasions. Joe Sneringer handles the hot corner at third.

Phil Felix does a tremendous job behind the plate as well as the outfield when not working the backstop post. Other top outfielders are Richard Timmins and Rick Reese. Both men swing a hefty bat. Reese is another rookie playing his first season.

The pasture strength is bolstered by such fine athletes as Mike Kuhn, Gerry Neiderer, Ed Masenheimer and Joe Yealy. Jim Staub, with a fast ball that moves like a bullet, is the leading pitcher. Tom Neiderer is second in line and Tony Lawrence is called upon in the relief role.

Krepps is assisted on the coaching staff by Roger Sanders and John Meckley.

RAIN CURTAILS LAWN TOURNEY

HAVERFORD, Pa. (AP) — Chuck McKinley, who finished runner-up for the Wimbledon title, says "our young players never have been as good as they are now."

"But the public wants a champion," he added Monday after rain had washed out all except one match in the men's singles of the 62nd Pennsylvania Lawn Tennis Championships.

"They have to be shown and until we win back the Davis Cup we just aren't very appealing," McKinley, the nation's second ranked amateur who is top seeded for the championships here, lost to Australian Rod Laver in the Wimbledon finals. Laver won the Pennsylvania title last year but he is not defending this year.

MONDAY'S MATCHES
"When I stop improving I'll quit," said McKinley.

In the only match of the men's singles played Monday, Roger Workman of Los Angeles defeated Andy Lloyd of Shreveport, La., 6-2, 6-8, 6-3.

In the second round of the women's Division, top-seeded Bellie Jean Moffitt, Long Beach, Calif., scored a 6-3, 6-1 triumph over Elizabeth Crady, of Louisville, Ky.

Gwyneth Thomas, third-seeded from Shaker Heights, Ohio, rallied to beat Peachy Kellmeyer, Charleston, W.Va., 3-6, 6-1, 6-1.

Second-seeded Donna Floyd of Arlington, Va., scored a 6-0, 6-2, victory over Linda Crosby, Los Angeles.

Last year's runnerup, Mrs. William Del Pont Jr., Wilmington, Del., beat Andrea Miller, San Francisco, 6-2, 6-1.

Plan To Organize State High School Grid Coaches

By FRED WALTERS
HARRISBURG (AP) — Formal organization of Pennsylvania's high school football coaches appears in the offing.

Plans are for a steering committee of coaches to sit down this weekend and work out the details. This decisive step follows a two-month survey among the coaches to assess their feeling about such an organization.

If the organization materializes, it may serve to slow down the exodus of the state's top schoolboy football talent to other states.

J. B. Menoher, an official of Pennsylvania State University's extension education program, said today he intends sending out notices to the steering committee this week to gather at Hershey or Harrisburg Friday night to discuss the idea.

PICKED BY COMMITTEE
Menoher, former football coach at Avella High School, Washington County, was picked by the committee to coordinate the survey. He is assistant director of the western region for the university's extension service.

Results of the survey have been very good so far, he said.

Although Penn State has no formal connection with the idea for a statewide association, the idea originated with head coach Rip Engle and the movement was kicked off at a meeting at University Park last May 6.

Twelve coaches attended the session. They agreed to go back to their home districts and take a poll of the coaches there.

Results have been forwarded to Menoher. They have not been tabulated yet, he said, but did seem to be running overwhelmingly in favor.

EXIST ELSEWHERE
Statewide associations exist in various other states, including neighboring Ohio, which also is considered rich in football talent.

The aims of a statewide association, the steering committee agreed May 6, would be to promote harmonious relationships, raise standards, improve coaching techniques and serve as a voice for the coaches.

No mention was made of the idea of shepherding high school talent to Pennsylvania universities.

Nevertheless, coaches contacted agreed that this would be a natural function of such an association.

OTHER MEMBERS
The Friday meeting will be held in connection with Saturday's annual "Big 33" high school football game, a match between two squads of top high school players from last season, now graduated.

The gathering is expected to include all members of the May 6 steering committee meeting plus Tom Vargo, Williamsport High, and Pete Dimperio of Pittsburgh's Westinghouse High.

The other committee members include: Bob Rute, Easton; Ken Dapp, Steelton - Highspire; Lou Hanna, Corry Area; Walt Strosser, Erie Tech; Rab Currie, North Hills; Al Crevar, Baldwin; John Czarnecki, Edison; Jack Hyland, Ferndale-Dale; John Gurski, Minersville; Robert Moore, Philipsburg - Osceola; Andy Padjen, Steelton-Highspire.

Local Dogs Win At Williamsport
Three local dog owners and their canines walked off with top prizes in the Bald Eagle Kennel Club show at Williamsport on Sunday.

Donald Hershey's "Hershey's Mickey" won second place in the American breed class. The second place winner is an English springer spaniel.

"Hollabaugh's Steady Lady" owned by Harold Hollabaugh, won first place among the novice bitches.

Elizabeth Chechings came up with a pair of winners at Sunday's show. "Ben Stash" was judged the best in the schipperke class and "Midnight of Keyville" received reserve honors also in the schipperke.

Refuse Licenses
2. Refuse to issue boxing licenses to any firm in which a "questionable individual" owns stock.

Keefauver said this last suggestion would be considered by his subcommittee and there were reports that group might meet the New York proposal more than half way.

Under Keefauver's bill a boxing license could be denied any corporation if 20 or more per cent of its stocks is owned by a questionable individual — one with a criminal record.

One source said the subcommittee may lower this to 5 per cent.

MISS SENTZ IS WED SATURDAY TO R. G. SNYDER

Miss Barbara Jeanne Sentz, daughter of Mr. and Mrs. Calvin M. Sentz Jr., Gettysburg R. 1, and R. Glenn Snyder, son of Mr. and Mrs. Roy C. Snyder, Littlestown R. 2, were united in marriage Saturday afternoon at 2 o'clock in St. Luke's Church, near White Hall.

Rev. George E. Shultz Jr., pastor of the United Church of Christ, officiated. The double-ring ceremony was performed in the presence of a large number of relatives and friends of the couple. Mrs. James Reichart, church organist, presented a recital prior to the ceremony and played the traditional wedding marches. She was also accompanist for the soloist, Mrs. Robert Spangler, Littlestown R. D. The church was decorated with bouquets of white gladioli and potted palms.

The bride, who was given in marriage by her father, was attired in a bridal gown of nylon lace and tulle with a scalloped sash, neckline, embroidered with iridescent sequins and three-quarter-length sleeves. Her skirt was fashioned in a redingote style with an underskirt of nylon tulle tiers; it was caught up in the back with a bow exposing the tiers of nylon tulle. Her fingertip-length veil of silk illusion fell from a crown of nylon braid, seed pearls and iridescent beads. Her jewelry was a strand of pearls, a gift of the bridegroom. She carried a white Bible topped with a white orchid and feathered carnations.

IN WEDDING PARTY

Mrs. Harry Bentzel, Littlestown R. 2, was matron of honor. She wore a pink nylon chiffon street-length gown with taffeta underskirt; it featured a boat neckline in front with V in the back, short puffed sleeves and a floral applique bodice. She had white lace mitts and white leaf design headband with nose veil and a pearl necklace. She carried a bouquet of assorted summer flowers.

The bridesmaids were Miss Carolyn Cramer, Littlestown, and

Miss Pamela Stonesifer, Littlestown R. 1, friends of the bride. They wore identical street-length gowns of blue and maize nylon chiffon with satin underskirt, styled with a boat neck in front and V in back. They featured a satin cummerbund with matching material corsage at the waist and the bouffant skirt and three graduated rows of white floral design to match the tiny rose design in the bodice, which had cap sleeves. The accessories and bouquets of all attendants were identical.

Miss Lucinda Sentz, sister of the bride, was flower girl and wore a white nylon chiffon dress with short sleeves, Peter Pan collar and the deep embroidered hem matched the embroidery on the bodice, accented with a large tie bow. She carried a basket of assorted flowers.

RECEPTION FOR 150

The bridegroom chose for his best man his brother, Donald Snyder, Daniel and Donald Collins, Littlestown, served as ushers. Roger Leatherman, Littlestown R. D., cousin of the groom, was ring bearer.

The bride's mother was attired in a pink sheer dress with lace trimmed skirt, boat neckline and short sleeves. She had white and pink accessories and a white rosebud corsage. The mother of the groom wore a dacton dress with white background and black floral design, round neckline and short sleeves. Her accessories were white and she wore a white rosebud corsage.

A reception was held immediately following the ceremony in the social hall of Grace Lutheran Church, Two Taverns. Approximately 150 wedding guests were in attendance.

ON WEDDING TRIP

Mr. and Mrs. Snyder left on a wedding trip through the Midwest, to include visits to Minnesota, Kansas and Texas. For going away, the bride chose a black and white check dress with elbow length sleeves trimmed in lace to match the square neckline trim and tiers of lace on the front of the full skirt. She had white accessories and white orchid corsage. Upon their return, the couple will reside in their newly-furnished apartment at Littlestown R. 2.

The bride is a graduate of the Littlestown High School, class of 1961. Her husband is a 1960 graduate of the same school and is employed by Vernon Snyder, Littlestown R. D., as a poultry farmer.

9 Are Killed In Paratroop Riot

METZ, France (AP)—At least 9 persons were killed and 22 wounded Sunday night when French paratroopers, angered over the slaying of a comrade by Algerian gunmen, stormed through Metz attacking anyone who looked like an Algerian.

Police said a gang of Algerians fired into a bar thronged by paratroopers recently brought back from duty in Algeria. The shots killed a paratrooper and a French bartender and wounded several soldiers.

The paratroopers surged into the railway station buffet attacking Algerians at random. Authorities said the dead included two paratroopers, the bartender and an Algerian worker. Five paratroopers and 17 Algerians were badly wounded.

Littlestown

41 CUBS TAKE HIKE TO FARM

The annual overnight hike of Cub Pack 84 took place on Friday night when 41 Cubs hiked from the Community Center to the Littlestown Fish and Game Farm, near town. The boys were accompanied by Cubmaster Alva H. Stonesifer, Pack Committeeman Richard D. Thomas, Den Chiefs Charles Hahn, John Schuchart, James Bittle, Steve Renner and Laurence Altoff. The group slept in bedrolls in tents at the fish and game farm. The tents had been put earlier in the day by Boy Scout Troop 84. A breakfast, including cereal and hot cakes, was served on Saturday morning prior to hiking back to town about 10 a.m.

The next activity of Pack 84 will be the annual soap box derby on Sunday afternoon. The details concerning this event will be announced later.

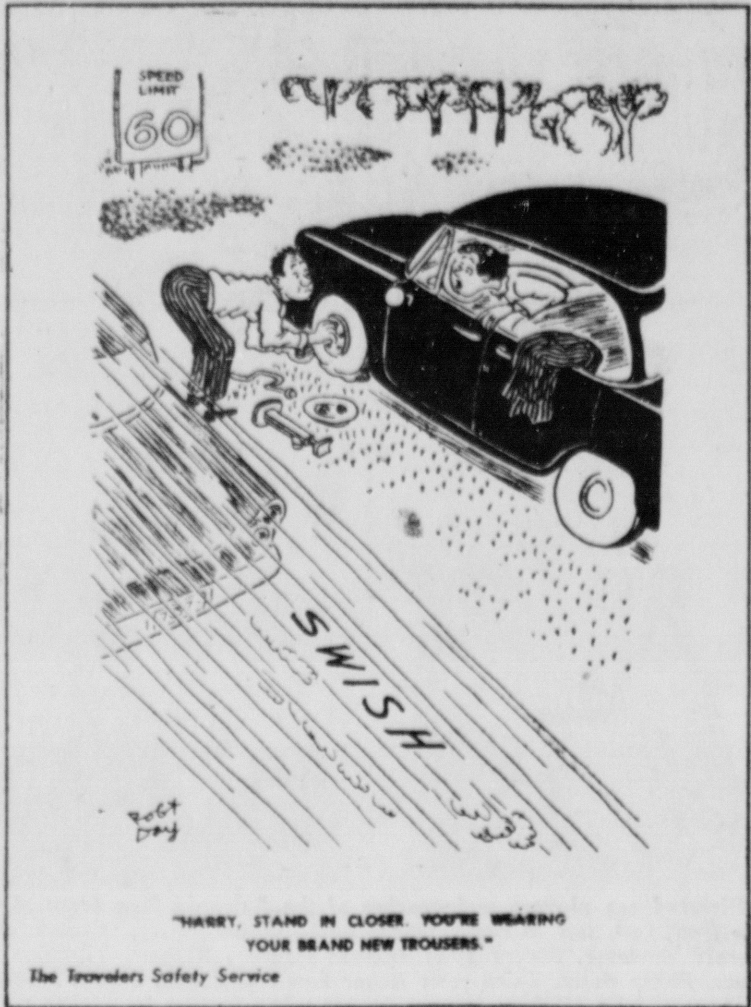

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226, had its annual banquet in honor of the unit bowling team on Sunday evening. Twenty-two members and guests were present for the event held at the York Eagles home. The next regular meeting of the local auxiliary will be held Wednesday, August 2, at 8 p.m. at the FOE social room when the hostesses will be Mrs. Ruth Hofe and Mrs. Florence Sheely.

PLAN CANOE TRIP

The Boy Scouts of Troop No. 84 will gather Wednesday evening at 6 o'clock at the Community Center from where they will leave for the visitors' night program at Camp Tuckahoe, near Dillsburg. Six

Deadly Reckoning

by Robt. Day

More than 80% of the casualties occurred on dry roads and in good weather.

members of the troop are spending the week at Camp Tuckahoe and parents going Wednesday are asked to stop first at the community building if they have any available transportation space.

The annual three-day canoe trip of Troop 84 will take place this weekend. Scouts participating in this trip have been notified by the leaders, and will meet this evening at 7 o'clock at the home of Assistant Scoutmaster Paul E. Renner, E. King St. Each boy should bring along his swimming trunks and towel.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, has announced that the Lutheran Inter-Mission Society has made a special request for the following items of clothing: Boys' shirts, sizes 10-16; boys' slacks, sizes 6-16; boys' socks, sizes 6-10; girls' dresses, sizes 6-12. Anyone wishing to donate any of these needed items should take them to the church on Sunday and the Rev. Mr. Karns will take them to the Gettysburg office of the Inter-Mission Society.

BOARD TO MEET

The July session of the official board of Centenary Methodist Church will be held at 8 o'clock on Wednesday evening at the church.

The Women's Missionary Society of St. Luke's Union Church, near White Hall, will hold its monthly meeting on Wednesday at 8 p.m. at the church. Forty-five persons, members of the Tuck-a-Bach Class of St. John's Lutheran Church and their families, had a fellowship dinner gathering in the church grove on Sunday at noon. The next regular meeting of the class will be held on Tuesday, September 26.

A family gathering was held by the Frogtown Homemakers on Sunday in Rohrbach's meadow, near Gettysburg. Sixty persons were in attendance. There was a picnic lunch and swimming. A group game was won by Irvin Conover. The homemakers club will resume regular meetings in the fall.

Major League Stars

By THE ASSOCIATED PRESS
Hitting—Frank Robinson, Reds, got homer, double and single, stretching hitting streak to National League high of 19, in leading team to 9-3 victory over Milwaukee; and Rocky Colavito, Tigers, hit three-run homer in team's come-from-behind 5-2 victory over Los Angeles.
Pitching — Joey Jay, Reds, stopped Braves with nine hits in scoring 14th victory, tops in National League; and Jim Bunning, Tigers, halted hot Angels with eight hits.

STOCK DEALER FREE ON BAIL IN GIRL CASE

NEW YORK (AP)—A Wall Street stock dealer accused of attempting to arrange to have a girl who spurned him maimed, raped and robbed is free under \$25,000 bail.

Henry Franklin Scheetz III, 23, was freed Saturday night after his wealthy industrialist father, Henry F. Scheetz Jr., of Pittsburgh, pleaded through an attorney that bail be set so his son could go to a private sanitarium.

Scheetz was arrested in a bar Friday night as he was making a \$300 "down payment" to a policeman he had asked to arrange the attack on the girl, police said.

TIPS DETECTIVES

The policeman, Edward Pagabucci, who was off duty when he first met Scheetz last month, had tipped off detectives to be on hand.

The girl, attractive brunette Mary Kelly, 23, of Sunnyside, Queens, told police that Scheetz "kept pestering me to marry him, but I just wasn't interested in him."

Paganucci said Scheetz had told him "he wanted me to get two guys to have this girl beat up, raped, maimed, scarred and robbed."

"He said, 'If you do this for me and get these two guys, I'm going to give you \$500 and the two guys \$750 each,'" Paganucci said.

Paganucci said Scheetz knew he was a police officer.

The temperature of a star controls its color, which may be red, yellow, white or blue. A red star may have a temperature of 5,000 degrees Fahrenheit but a blue-white star goes up to 60,000 degrees.

On top of Mt. Washington, N. H., the mercury never has climbed above 46 degrees in the winter or 71 in the summer. The coldest temperature ever recorded there was 46.5 degrees below zero.

Police On Guard In South Rhodesia

SALISBURY, Southern Rhodesia (AP)—Policemen rode all buses in industrial Bulawayo and troops stood by throughout Southern Rhodesia today as Africans started a strike that was successful in some industries but only partially so in numerous others.

A general strike was called by African political extremists in protest against the government-sponsored referendum Wednesday on the new constitution for Southern Rhodesia.

ROB NEW JAIL

PUNTA GORDA, Fla. (AP)—Someone broke a lock to a cell door in Charlotte County's new jail over the weekend and made off with tools belonging to an ionworker crew and some jail supplies.

The cell is located less than 50 feet from the sheriff's office.

BEAUTY CONTEST OPENS

LONG BEACH, Calif. (AP)—The fun ends and the tension starts Monday night as 52 young women — most from faraway lands — face the judges for the first time in the International Beauty Contest.

The parades, parties and trips to movie studios are over. Now four nights of serious scrutiny will determine who wears the crown of Miss International Beauty and receives top prize of \$10,000.

NAME GYM FOR BOY

SAGINAW, Mich. (AP)—The gymnasium and swimming pool building of the new \$3½ million Douglas MacArthur High School of Saginaw Township will be named for Peter M. Beach, the 18-year-old Yale University student who was killed in the July 10 roof cave-in during its construction.

It will be called the Peter M. Beach Athletic Building.

"Sorry, He's on Vacation"

A \$1.00 call would have saved him 2 days

During these vacation days, it's a wise business man who calls ahead to set up appointments. Next time you plan a trip, remember, you'll save yourself hours, dollars and possible disappointment by simply placing a long distance call and making sure of a good reception.

THE UNITED TELEPHONE COMPANY OF PENNSYLVANIA

more people are choosing
Gas air conditioning for their homes

When you discover economical, whole-home, Gas air conditioning, you'll want it! Every room in your home is cool regardless of simmering summer temperatures. You sleep comfortably... cook and bake in relaxed coolness... have fresh, cool air throughout the house for comfort and health. Comes winter and your Gas cooling system readily gives you carefree heating with a flick of the finger... filtered, fresh-air Gas heating that keeps the whole house snug and clean.

The installation costs of a central Gas heating-cooling system in a new home can be financed with the mortgage for a very modest increase in payments. Or if you're planning to remodel your home, consider having a Gas add-on air conditioning unit installed in your present Gas forced air heating system. You can probably use the existing heating ductwork for cooling to get added installation economies. In either case, Gas air conditioning costs less than you might think.

If you are planning to buy or build a new home, or to remodel your present home, find out about Gas air conditioning. You'll want it! Call your Gas Company for a free air conditioning survey and estimate.

Beyond our mains, use dependable L-P Gas

Riding with Russell

by FREDERICK C. RUSSELL

Often what should be a diagnosis of the car's ills turns out to be just a diagnosis.

Where to go with the new car while trying to break it in to the best advantage need not be the problem many make of it. While the new car should not be handicapped by pokey operation it should also not be operated at sustained high speed. This makes both heavy traffic and super-highways rather inappropriate for the first 300 miles or so.

Here's how one motorist got around the difficulty:

He took the car on some of the secondary roads where he could give it occasional bursts of speed and then let speed taper off. He found many others driving with somewhat this pattern because they were not traveling. He also found that he could put on quite a lot of mileage just about anywhere early Sunday morning. Also on the nearest super-highway he found that he could indulge in the up and down type of driving best for a new engine if he did this after eight o'clock at night. Cars were then not driving so fast or at steady speeds.

REVERSAL IN ADDITIVES

One of the interesting reversals currently attracting attention is the use of what is known as a heavy additive for engines which are afflicted with high oil consumption, wear and noise. For many years additives have been rather generally of the light type, the theory being that they could thus reach into lubrication points the better and have a cleansing effect. Now, however, we have a thick, honey-colored additive which results in toughening and fortifying the oil so as to enable the latter to withstand high pressures and high temperatures more effectively. The newest additive is based on a German formula. It will blend with any of the modern oils, including heavy duty, high detergent, premium or multi-viscosity types.

CHECKING THOSE GROUNDS

The main reason why lighting becomes less efficient on a car as it ages is simply because of inefficient grounding of the electric

system. This may be at the main ground strap or at lamp sockets. There are other points where resistance may be set up by reason of poor connections, and these also can cause trouble. But poor grounding is quite frequently found. It is due to corrosion and loosening of connections through vibration.

When fender lights were used so generally for parking it was not uncommon for one of the lights to go out altogether simply because of rusting of the bolts which held the fender to the car's frame.

MECHANIC JOE SPEAKING:

"If oil mileage takes a nosedive some day when you are out on the open spaces trying to make time don't assume that the engine has suddenly developed trouble. It is just that you are driving hard."

"Not only is the engine operating at a higher temperature, thus thinning its lubricant, but you will be making more sudden slowdowns because of the pace you have set. Every time the throttle is closed suddenly the pistons will be sucking up oil from the crankcase and burning it in the cylinders. If the engine has developed any external leakage of oil this will also be accelerated."

WHAT'S YOUR TROUBLE?

Q. Are rear wheel bearings of the ball or roller type? G. S. A. Mainly they are the roller. Q. Why don't they use shrouds over the fan as they did with the earlier cars? Is it a matter of cost? L. G.

A. Partly. However, it is easier to replace a fan belt if there is no shroud to remove first. Shrouds also may interfere with a more general circulation of air over the engine.

Q. I feel a pronounced vibration of the accelerator pedal whenever trying to pick up speed. P. H. Jr.

A. This looks like loose engine mounts. Also there's a good chance that the engine isn't running smoothly.

Q. What is the best evidence of worn cylinders? L. P. W. A. Since the rings would wear before the cylinders you would

have increased oil consumption, a lot of smoking from the exhaust and some piston slapping at least when the engine is cold. Much can be determined by a compression test.

Q. Is it all right to oil the clutch pedal pivot shaft bushing? I used oil on an older car and damaged the rubber bushing. V. McN.

A. The bushing on your new car is nylon. But just use a drop of oil if squeaking develops.

Q. I can't vet into Reverse with the automatic transmission on my car. A readjustment of the linkage hasn't helped at all. T. F.

A. I think you will find that the Reverse blocker valve is stuck. This calls for a replacement.

Q. I have been told to use household detergent to remove ice cream stains on the fabric upholstery of the car. What strength detergent should I use? Mrs. T. E.

A. One teaspoonful to a quart of warm water is about right.

Q. A mechanic has warned me not to try to repack the front wheel bearings myself. It looks simple. I think he is just trying to get the job for himself. L. B. G.

A. I think he can find plenty of work without getting this particular job. Wheel bearing service should not be done by anyone who isn't familiar with the pitfalls. I like the advice given by one of the leading companies that it should be done with "surgical care."

Q. Shifting is quite hard with the manual transmission of my second car. Usually adjustments haven't helped. H. H. S.

A. It will be necessary to remove the shift levers from the transmission case and round off sharp corners at the Neutral detents.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him care of the Gettysburg Times and enclose stamped, self-addressed envelope for a personal reply. Please confine inquiries to one subject and limit letters to 100 words or less.

53 INJURED IN TRAIN CRASH

MACON, Ga. (AP)—"We were riding along talking and all of a sudden there was a terrible jolt," a teen-age girl said.

The jolt was the Central of Georgia's streamlined passenger train, the Nancy Hanks, colliding head-on with a freight train 10 miles east and a little south of Macon.

Fifty-one persons were treated at hospitals Monday night but the engineer of the Nancy Hanks, George B. Wheeler of Savannah, was the only one believed injured seriously.

The Nancy Hanks was on the way from Atlanta to Savannah, back Macon, district machinery supervisor for the Central of Georgia, said freight train No. 95 was running behind schedule and failed to reach a sidetrack in time to clear the main line for the passenger train.

Albert Kelly, conductor, said

The POWER of FAITH by Howard Bradie

"Christians must learn from one another; let us all have the courage and mutual respect to speak together as free men," says Archbishop Iakovos, warm-hearted Primate of the Greek Orthodox Church of North and South America.

As representatives of Eastern Orthodoxy with 6 million U. S. members, he was invited to pray at President Kennedy's inauguration. The tall, confident Archbishop, an American citizen with close Protestant ties, was elected a President of the World Council of Churches. "Believing we have the one truth does not keep us apart," he believes, "If one stands on firm ground, he can stretch forth his arms to embrace others, too."

AP Newsfeatures

his freight train had stopped when the crew realized the main line could not be cleared in time and a flagman was dispatched on foot ahead of the freight train in a futile effort to flag the approaching passenger train.

To remove brown stains from glass baking dishes put three tablespoons of baking soda into each casserole and fill with hot water. Soak for a few minutes then wash. If there are stubborn stains, rub with a damp cloth dipped in soda. Do not scour glass cook-ware with coarse abrasives. They may weaken the skin or surface and weaken the glass in that spot.

CROWD STONES DILWORTH OVER PARKING PLAN

PHILADELPHIA (AP)—An angry, jeering crowd of 2,000 persons hurled rocks and eggs and shouted profanity at Mayor Richardson Dilworth Monday night as he tried to defend his controversial \$40-a-year parking fee plan. Several persons reportedly were injured, including Councilman Gaetano P. Giordano, who opposes the plan. Giordano, a Democrat as is Dilworth, represents the South Philadelphia district where the mayor wants to set up the experimental plan. He pleaded for the crowd to hear the mayor out. He suffered a cut eye when hit by either a rock or flying glass in the school auditorium where the mayor spoke.

DAMAGE POLICE CAR

Some of the crowd smashed the rear window of a police car in which two boys who had been arrested were placed. Several persons smashed five windows of the car of Edward Lain, 21, a newsman for television station WRCV. All available highway patrolmen were sent to reinforce 40 regular officers who had been detailed to the meeting.

Dilworth, his wife standing by him, declared that he was "going to say what I've come to say regardless of what you do."

"Down with Dilworth," shouted the crowd.

The mayor shouted himself hoarse and never did finish his prepared text in which he defended his plan by saying that "the problem with which we are faced is the problem of the automobile threatening to engulf our city."

Protests have mounted since Dilworth announced his plan for an area covering 16 streets. Car

owners would have to pay the fee to park their cars either on the streets or in a municipal parking lot. Parking is free in the area now, but prohibited on one side of the street.

Plane

(Continued From Page 1)

Dallas for a fight Thursday night with Curtis Cokes.

Because the Foreign Ministry was closed for the anniversary festivities, the Swiss Embassy said it also had not been able to present a U. S. demand for return of the plane and the personnel which the State Department rushed to Havana as soon as it was informed of the incident.

Switzerland has represented the U. S. government in Cuba since Havana and Washington severed diplomatic relations.

REVEALED BY RADAR

The Federal Aviation Agency in Florida was the first to sense something wrong aboard the Electra when the agency's radar scope showed the plane make a sharp turn off course about 20 miles southwest of Pahokee, Fla.

The agency's report was picked up by the North American Air Defense Command (CORAD) at Colorado Springs, Colo., and the it back. He turned back to his Homestead, Fla., Air Force Base where he reached the three-mile limit of Cuban waters.

Patty Berg Will Defend Tee Title

MINNEAPOLIS (AP)—Approximately 50 of the nation's best women golfers tee off Wednesday in the fourth annual American Women's Open Golf Tournament.

Defending champion Patty Berg will be rivaled by some 30 other professionals and 20 amateurs, including Mickey Wright, Marlene Bauer Hagge, Louise Suggs, Betty Rawls and others.

The \$7,500 medal play tourney opens with a golf clinic and pro-amateur day. Actual competition gets under way Thursday and ends Sunday, 72 holes later.

Last year's low amateur, Carole Pushing of Olivia, Minn., will be a definite threat with her 5 handicap.

to intercept the \$3½-million airliner.

Capt. W. G. Hayes, flying an F102 Delta Dagger, intercepted the airliner and waggled his wings in a futile effort to turn Colorado Springs, Colo., and the it back. He turned back to his Homestead, Fla., Air Force Base where he reached the three-mile limit of Cuban waters.

FOREIGN AND FARM AID EYED BY CONGRESS

By JACK BELL

WASHINGTON (AP)—Congress concentrates this week on farm and foreign aid legislation. The administration hopes it will focus some attention, too, on education.

The Senate took up a farm bill Monday from which its Agriculture Committee has slashed a key request by Secretary of Agriculture Orville L. Freeman to permit farm groups and the secretary to develop their own programs subject to a congressional veto.

Senate Democratic leader Mike Mansfield of Montana predicted passage of the committee version without substantial change.

Among other things it would provide for a minimum 10 per cent reduction in wheat acreage and a 20 per cent cut in corn, grain sorghum and barley acreage. Government payments would be made in cash or kind for retired acreage.

MILITARY BILL

The House, marking time with routine measures, takes up an \$800-million military construction bill today.

Mansfield said he will bring before the Senate Friday Kennedy's \$4,326,500,000 foreign aid bill. But Mansfield said, votes on controversial provisions of the measure will be postponed until next week.

Mansfield said there is a "little better than even" chance the Senate will approve a section of the bill meeting Kennedy's request for a five-year, \$8.8-billion long-range development program for fledgling nations, financed through Treasury borrowing.

GOP CHARTS COURSE

Sen. Styles Bridges of New Hampshire, chairman of the Senate Republican Policy committee, said GOP leaders will chart their course on the bill today. He said Senate Republican Leader Everett M. Dirksen of Illinois, who has been receiving hospital treatment for an ulcer, is expected to return to duty then.

Kennedy is expected to discuss today with Democratic leaders of both houses proposals to break a House Rules Committee logjam on his aid-to-education program. The leaders will be at the White House for a regular weekly breakfast.

Kennedy, who speaks to the nation this evening on the Berlin crisis over television and radio, has said he will send to Congress Wednesday a recommendation for strengthening the country's military posture.

TO ASK INCREASES

He is expected to propose increases in Army and Marine ground forces to bring U.S. combat strength to 20 divisions. There are now 14 regular Army and

1 Killed, Two Hurt In Mishap

SOMERSET, Pa. (AP)—One man was killed and two others injured in the collision of two cars and a tractor-trailer rig Monday night on Route 19 about 1 1/2 miles north of Berlin.

State police identified the victim as Richard O. Miller, 20, of Berlin R. 1.

Robert L. Searfoss, 17, of Berlin R. 1, a passenger in Miller's car, was listed in serious condition in Somerset Community Hospital. Ernest Klinge, 28, of Monroeville, was reported as fair.

State police said the car driven by Miller collided head-on with a tractor-trailer driven by Robert Mull, 40, of Wellersburg. They said Klinge's auto then struck the rear of the trailer. Mull was not hurt.

BRITONS GET BAD TAX NEWS

LONDON (AP) — Tax-weary Britons get the bad news officially today of a new austerity tax program to curb nonessential purchases from abroad by cutting consumer spending at home.

Treasury chief Selwyn Lloyd, the chancellor of the exchequer, will announce in the House of Commons details of a program to fight inflation, protect the value of the pound and help bring Britain through its current economic crisis.

Lloyd has drafted both short-range measures and long-term programs, including a five-year plan for public and private investment. The aim is to cut consumer spending up to 200 million pounds—\$560 million—a year. This will reduce imports of both raw materials and finished goods and thus improve Britain's unfavorable trade balance, which is draining the nation's reserve of foreign currency.

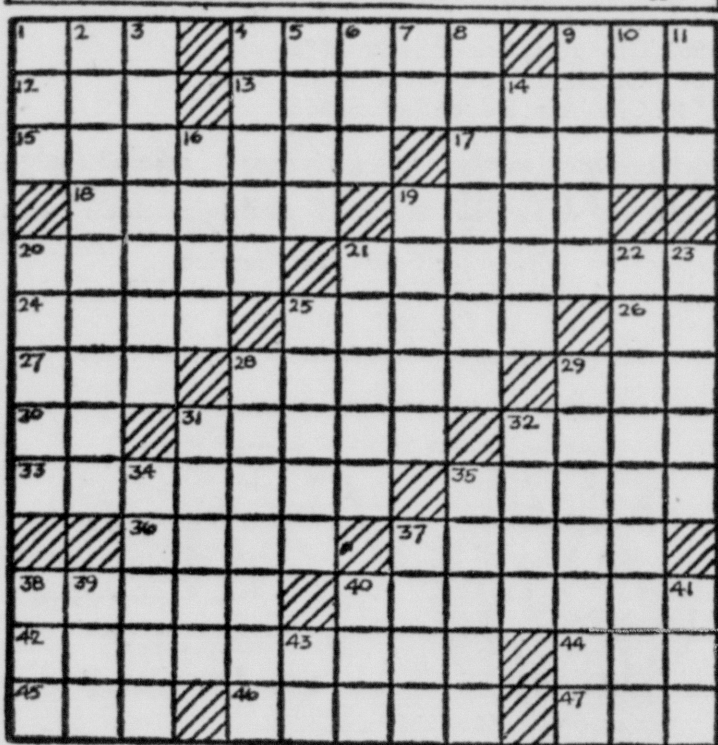

Lloyd was expected to slap sales and excise tax increases of up to 10 per cent on a wide range of products from automobiles and furniture to tobacco, gasoline, liquor and beer. A clampdown on installment buying also was predicted.

The faith of India's six million Sikhs stems from an effort to bridge the gulf between Hinduism and Islam. Like Hindus, Sikhs cremate their dead and eat no beef. Like Moslems, they worship only one god and oppose the caste system.

three Marine divisions. Bridges said the Senate Appropriations Committee will take up Kennedy's recommendations Thursday. Bridges said he thinks Congress will give the President what he wants in increased defense spending in light of the crisis over Berlin and trouble elsewhere in the world.

WEATHER WILL BE HOT, HUMID WITH STORMS

The Associated Press
Hot and humid weather continues in Pennsylvania today.
Despite a forecast of showers and thundershowers later today and tonight, the Weather Bureau reports conditions should show little change in the next few days. The high was expected to range around 90.
Numerous thundershowers were reported across Pennsylvania Monday night, some of them violent and frequently accompanied by high winds.
The Weather Bureau said some areas measured over an inch of rain, but the thundershowers brought little relief.
KILLED IN CRASH
A Philadelphia man, Roscoe Dillard, 40, was killed in a two-car collision near Doylestown during a rainstorm.
In southern Beaver County two persons were injured slightly when the storm hit a thinly populated section. Keith McClester of Aliquippa R. 1, said he saw a funnel-shaped cloud near the area of heaviest damage, but there was no official report of any tornado.
The storm uprooted trees and utility poles and shifted several houses from their foundations. Cellars were flooded and in some cases roofs of homes blown out.
Lightning also struck some homes, and telephone and electrical service was disrupted in sections.
In Franklin Township, Allegheny County, an estimated \$8,000 damage was caused by lightning at the home of Mrs. Maria McCosby.
Lightning set fire to a barn on the R. L. Dawson farm near Saxtonburg in Butler County, causing an estimated \$13,000 damage.

CONVICTED OF BURNING HOME

WILMINGTON, Del. (AP)—One of five white men indicted for the 1959 burning of a home of a Negro family pleaded no contest in Superior Court Monday and was found guilty.
The defendant, Gilbert Minnich, 50, who suffers from a liver ailment, appeared in court in a wheelchair. He has been certified fit to stand trial.
Judge William J. Storey ordered a pre-sentence investigation after finding Minnich guilty of the charges stemming from the incident involving the George Rayfield family, which was the first Negro one to move into the previously all-white suburban Collins Park.
Melvin F. Downing, 28; Albert L. Reverdito, 34, and Ronald H. Therikidsen, 30, were convicted at their trial last April. Sentencing was deferred. William V. Charl-

DENY PROBE OF PHILLY REGIME

PHILADELPHIA (AP)—A petition by city Republican leaders for a grand jury investigation of city government was denied today by Judge Raymond Pace Alexander.
Judge Alexander, in an 80-page opinion, upheld the city's motion to dismiss petitions filed by the Republican City Committee and the Republican alliance, an independent group.
The jurist ruled that the public safety has not been clearly endangered. He said there is insufficient evidence to show city officials have not taken steps to combat recent scandals in local government.
The Republicans sought a probe of alleged scandals and irregularities in the conduct of Mayor Richardson Dilworth's Democratic administration.

60 Airmen Abroad Lose Ration Cards

LONDON (AP)—Nearly 60 airmen at the U.S. Air Force base at Lakenheath have been deprived of their tobacco and liquor ration card for black marketing goods bought at the post exchange.
An Air Force spokesman said investigations were continuing at all U.S. bases in Britain.
The ration cards permit U.S. airmen at all British bases to buy 40 packs of cigarettes a month at 14 cents a pack, plus five bottles of spirits at such prices as \$1 a quart for gin.
Because they are sold outside the United States, the goods are not subject to U.S. taxes. The British government has waived the taxes that drive the price of cigarettes up to 58 cents a pack and a bottle of gin to \$4.20 on the British market.

ton was acquitted.
The house occupied by the Rayfields eventually was torn down. It had become a hazard after being weakened by fire and an explosion, officials decided. The Rayfields now live in another suburban community.
Sleep is the best care for worry, provided you do it instead.

DECIDE UPON

(Continued From Page 1)
prepare the prospectus on the bonds and do the necessary advertising.
SIX-MILL TAX BOOST
If the amount of the bond issue is \$1,550,000 and if the bonds can be sold with a 3% per cent interest rate, a figure used in Monday night's calculations as an estimate, the annual rental on the new building would be \$102,734; the estimated state reimbursement would be \$29,290; the net local cost would be \$73,444 per year or an average of 6.2 mills of tax and the total interest cost on the bonds would be \$915,616.
If the operating committee had decided upon the 40-year bond issue at an estimated interest rate of 3% per cent, the figures would be: Annual lease rental, \$92,240; annual state reimbursement, \$26,298; net local cost, \$65,942 which is the equivalent of 5.6 mills but total interest costs would be \$1,401,680.
"VERY GOOD RATIOS"
The sheaf of figures the officials studied "very good ratios" between the total bonded obligations of the school district and its market and assessed valuations, the per capita debt and the average real estate tax collectibility.
If the new issue is \$1,550,000, it will bring the per capita debt for each person in the school district to \$201, the study showed.
The financial study showed there is yet \$137,000 outstanding in bonds on the 1950 issue, \$648,000 on the 1953 issue, \$625,000 on the 1954 issue and \$645,000 on the 1958 issue. The total yet to be paid on the outstanding issues is \$2,055,000.

Claims France

(Continued From Page 1)
when he emerged from Bourguiba's seaside summer palace 10 miles outside the capital. His only comment to newsmen was that he had not scheduled a visit to the city of Bizerte, which the French in four days of bloody fighting captured before a cease-fire call from the U.N. Security Council stopped the shooting.
The secretary-general, who described the crisis as "a matter of urgency," was reported to have told officials he could not foresee how many days his mission would take. U.N. sources in New York said Hammarskjold was expected to return Thursday.

JFK Outlines New Military Plan In TV Talk Tonight

By LEWIS GULICK
WASHINGTON (AP)—President Kennedy unveils to the nation tonight a broad plan for stepping up defense against the Communist threat to Berlin and throughout the world.
In advance of his 9 p.m. EST radio-TV broadcast, Kennedy scheduled his usual Tuesday morning White House meeting with Democratic congressional leaders.
This gave him an opportunity to brief his legislative chiefs on points he will cover in his speech and in a formal message to Congress Wednesday.
Informed sources said Kennedy's strategy was set to provide for a step-by-step Western strengthening as Communist pressures mount on Berlin and a long-term increase in ability to counter the Reds should they turn on the heat elsewhere.
MORE ARMS FUNDS
This involves a boost in the U.S. preparedness program above the \$43 billion Kennedy has already asked for the military this year, bigger arms contributions by the North Atlantic Treaty Organization allies, and further teamwork among the allies in diplomatic, political and economic tactics.
Press secretary Pierre Salinger said Kennedy himself did most of the speech writing as the President and his aides worked on tonight's address.
Among those stopping off at the White House Monday were Secretary of State Dean Rusk, Secretary of the Treasury Douglas Dillon and Walter Heller, chairman of the President's Council of Economic Advisers.
MIGHT HIKE TAXES
The attendance of Dillard Heller led to speculation that Kennedy might want to raise taxes to cover the expanded program. The President has been reluctant to seek further taxes, on grounds this slows recovery and the economic pickup already under way will bring in added revenues.
One major item in the Kennedy package is civil defense. Informants said the chief executive wants to raise to around \$300 million—triple his present budget—the federal outlays for preparedness against any Soviet attack on the United States. This apparently would include large scale installation of shelters against radioactive fallout from atomic blasts.
INCREASE ARMED FORCES
Military proposals prepared for White House consideration reportedly included stepping up the regular armed forces by 100,000 men or more, including a couple of Army divisions and a Marine division; a higher state of National Guard and reservists preparedness and some rise in weapons production. The Army now has 14 divisions, the Marines 3.

SAVING IS Easier THAN PIE

The only ingredients you need are a few dollars and a little will power. Bring them together in a place where things are "cooking"—like our bank, where we add regular interest, safety for your funds, and many services under one roof. Results are sure-fire, provided, of course, you don't skimp or skip! Come in and get started.
